

**TOWN HALL WILL BE  
CLOSED  
JANUARY 1<sup>ST</sup>, 2016**

## Lighting Up Rockford

Thank you to all who participated in "lighting up Rockford." The official count was made on December 23<sup>rd</sup> and there are \*\*\* Christmas trees lit in residents' yards this year. Thank you to all who participated. Let shoot for even more trees next year!!!

A big thank you to Councilmember Micki Harnois, for going through all the hoops of getting Rockford to meet the requirements of becoming a "Tree City USA" again for the FOURTH year in a row. The Tree City USA program provides direction, assistance and national recognition for the community. It's the framework for a healthy, sustainable urban forestry program in your town. And the benefits are substantial.

### **From the Public Works department:**

Please be considerate of our snow plows. We are working as quickly as we can to get the streets plowed and safe for travel. If you are able, please keep from parking your vehicles on the street so the plow can do a thorough job of cleaning up the streets. Thank you.

*For more information on community events and to check out our "kudos" page, please visit our website at [www.rockfordwa.com](http://www.rockfordwa.com)*

We are very excited for a fresh new start in 2016. Thank you to everyone who have supported the Town during this transition period. Stay tuned to see what's in store for us next!!!
