What is

Entrepreneurship?

Entrepreneurship is the process of starting a business or other organization. The entrepreneur develops a business model, acquires the human and other required resources, and is fully responsible for its success or failure. Entrepreneurship operates within an entrepreneurship ecosystem.

Common Mistakes most Entrepreneurs Make early on:

2. **No vision created or not taking the time to set goals or milestones.**
3. **Lack of purpose.** It can't only be about the money.
4. **Not taking the time to plan financially.** There are very few instant successes
5. **Very little patience.** As mentioned in number 4, there are very few instant successes.
6. **Failing to establish a brand.** You can't be what everyone is.
