Open A	Beginner Novice A	Preferred Open	
Open B	Beginner Novice B	Graduate Open

Jump Height MUST be included for: Open, Utility, Graduate Novice, Preferred Open, Graduate Open, Preferred Utility and Versatility.

Entries will be arranged in jump height order from large to small dogs on Saturday and small to large dogs on Sunday.

NON-REGULAR CLASSES

Brace Class. The Brace class will be for two dogs of the same breed or two dogs listed with AKC Canine Partners of similar height at the withers that are eligible under these regulations and capable of performing the Novice exercises. The dogs need not be owned by the same person but will be handled by one handler. Dogs may be shown unattached or coupled (the coupling device will not be less than 6 inches in overall length). Whichever method is used will be continued throughout all exercises. A separate official entry form will be completed in full for each dog entered. Exercises, performances and judging will be as in the Novice class. The brace should work in unison at all times. Either or both dogs in a brace may be entered in another class or classes.

Veterans Class. The Veterans class will be for dogs that have an obedience title and are at least 7 years old on the date of the trial. The exercises will be performed and judged as in the Novice class. Dogs may be entered in another class or classes. At breed specialty trials, the minimum age requirement for the Veterans class may be set by the breed Parent Club, in which case the age will be stated in the premium list.

Team Class. The Team class will be for teams of any four dogs that are eligible under these regulations. Five dogs may be entered, one to be considered an alternate for which no entry fee will be required. However, the same four dogs will perform all exercises. Dogs may be handled by the owner or any other person, need not be entered in another class at the same trial, and need not have obedience titles. A separate official entry form will be completed in full for each dog entered. No dog may be entered on more than one team. There will be two judges, one of whom will call orders while the other scores the team's performance. The teams will be judged one at a time, except for the group exercises, which will be done with no more than four teams (16 dogs) in the ring.

The dogs on a team will perform the exercises simultaneously and will be judged as specified for the Novice class, except that a Drop on Recall will be used in place of the Recall exercise. In all exercises except the Drop on Recall, the teams have the option of executing the judge's orders on the team captain's repeat of the command. In the Figure Eight portion of the Heel on Leash exercise, five stewards will be used. The stewards will stand 8 feet apart in a straight line. Each handler, with the dog sitting in heel position, will stand about equidistant from each of two stewards with all members of the team facing the same direction. On orders from the judge, the team will perform the Figure Eight, each handler starting around the steward on his/her left and circling only the two stewards between whom he/she had been standing. In the Drop on Recall exercise, the handlers will leave their dogs simultaneously on order of the judge. The dogs will be called or signaled in, one at a time, on a separate order from the judge to each handler. Handlers will, without any additional order from the judge, command or signal their dogs to drop at a spot midway between the line of dogs and the handlers. Each dog will remain in the down position until all four have been called and dropped. The judge will give the order to call the dogs, which will be called or signaled simultaneously. The finish will be done in unison on order from the judge.

The request for a transfer must be in writing or email and presented to the trial secretary or superintendent at least 30 minutes before the start of each trial. Transfers may be approved, provided the next level class and judge are available and the class has not reached its limit.

The request for a transfer must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial or anytime after close of entries.
