

Christy Love

Ooh, Christy Love
Ooh, Christy Love

She's a bona fide super sleuth
Undercover in her gogo boots
Seeking justice all over town
Nothing gets her down

Ooh, Christy Love
Ooh, Christy Love

Working hard all day and night
Double shifts, cause money's tight
Kicking ass and fighting for her rights
Sister's outta sight

Ooh, Christy Love
Ooh, Christy Love
Ooh, Christy Love
Ooh, Christy Love

Sister's got soul
Sister's got soul
Sister's got soul
Sister's got soul

Sister's got soul
Sister's got soul
Sister's got soul
Sister's got soul

Sister's got soul
