President’s Corner

I’ve been hearing good things about the Mustang Birthday Celebration at Phil Long Ford and I’m really bummed I couldn’t be there. Alas, the postponed date overlapped with my daughter’s wedding and I was in Seattle giving her away. Now, I know what you’re thinking. “What better venue for a wedding than the Mustang Birthday Celebration?” Totally agree! Unfortunately, Daughter Jen didn’t see it that way. So I put on a suit, did the traditional wedding thing and sent the newlyweds off on their honeymoon.

Now, I know what you’re thinking. “What better honeymoon destination than the annual Rocky Mountain Mustang Roundup next month?” Totally agree! Unfortunately, Daughter Jen didn’t see it that way. She went to Paris instead of Steamboat Springs. Yeah, whatever.

Have you heard a shop in Oklahoma announced they’re going to build 1969/1970 Mach 1, Boss 302 and Boss 429 Mustangs? No kidding:

<https://www.classic-recreations.com/classic-recreations-announces-ford-licensed-program-to-build-first-ever-continuation-boss-and-mach-1-mustangs/>

But don’t get too excited. These aren’t exact copies of the originals. Further reading reveals this shop builds custom Mustangs from reproduction Dynacorn bodies. The only thing new is they now

Hoofbeats

have licensing from Ford which allows them to affix the appropriate emblems and stickers and sell them as a "Mach 1 Mustang" or "Boss Mustang". Buyers will have a choice of what goes under the hood, but I'm not seeing an actual Boss 302 engine as an option. A custom-built version of the Boss 429 engine is available. For the prices they're asking, you can literally buy a nice, genuine 1969 or 1970 Boss 429 and actually save money. I suppose stories like this continue to demonstrate the amazing popularity of early Mustangs.

The first weekend of May 2018 was a great one. I wish I could say I made significant progress on my 1970 Mach 1 project. Instead, I was catching up on the numerous home maintenance chores I've been ignoring in favor of working on my Mustang. You know how it goes. But I also got some garage cleaning done which means I can now really get things going on the car. Time to make another major parts purchase and throw those parts on to make my Mustang street legal!

What parts are you folks buying and throwing on your cars this year? Drop me a line and tell me about it and we'll put it in the newsletter. And we can talk about it at the next club meeting. Don't forget, we're the host club at the First Saturday Car show on June 2nd. See you there! (You know, that sounds like another great, wedding venue.)

Club Meeting Minutes

After the Phil Long Ford Mustang birthday party, the meeting was called to order at 1:17 PM by Vice President Reed Hiltermann.

One new member, Tom Armetta, introduced himself.

The minutes of the March meeting were read.

The Treasurer's report was given. The balances were:

- Checking \$1995.67
- Savings \$1163.95
- Door Prizes \$344.77

Dave pointed out a scam email that he received and warned the club to be careful. It's always a good idea to call someone for confirm on any email that you question.

Some members of the board are concerned about the lack of members this year. Some have suggested that we might call ex-members to ask why they haven't joined, others are not concerned about this drop yet.

Old Business:

We were reminded to make sure we lock down our Facebook account information.

New Business:

The May meeting will be held at IHOP as usual.

Reed reported that he has been approached by Golden Corral about their "Camp Corral" car show. This show helps fund "Camp Corral" which is for kids of our military people. They would like to get together a bunch of cars from 1 to 4 pm.

They would then sell tickets to people who would use them to vote on their favorite car. The winner would get a dinner for 2. Reed will propose to Golden Corral that we do the show on May 26th.

Shannon reported on the "All Team Bash". This is a fun day where we would put together a team and play games such as a car race where teams have to push a car and driver down the road. We would be racing against Chevy guys. The participation fee is \$15 per person.

Dave from the Pueblo Mustang Club invited us to their 24th annual show at Spradley Ford on June 2nd. Registration is from 8am to 10 am. The show starts at 10. There are 22 classes and the entry fee is \$30.

Because this is a conflict with the 1st Saturdays show that we are hosting which will run until 9am, the Pueblo club would allow anyone who showed up late (between 10 and 11) to go ahead and register. Contact Brian for Dave's phone number if you have any questions.

Mike Cahill is trying to put together the club swap meet on July 21st.

Dyno day will be scheduled for September 22nd.

The Hot Air Balloon Club is looking for events where they can set up a balloon in order to draw interest to their club. We may be able to use them to draw attention to some of our events.

The meeting was adjourned at 1:48 PM.

Club Clothing

There are two sources of club clothing: Graffi-T's Screen Printing and More, and Lands' End. Graffi-Ts is located in the Springs and provides silkscreened clothing. Lands' End is available online and provides their clothing embroidered with the club's logo.

Graffi-Ts

Graffi-T will provide club clothing that includes the Mustangers logo on the left chest and the running horses across the back. The long sleeve garments also include a left and right sleeve print. The colors that work best with our logos are: white, light grays, light blues, pinks, light greens, yellows, red, tans, and orange. The available styles are: sweatshirts, hoodies, long sleeve t-shirts, short sleeve t-shirts, and ladies v-neck t-shirts. A minimum order of 24 or more pieces in mixed styles, colors and sizes is required. In order to meet the minimum order quantity, the club accumulates individual member requests until the minimum quantity is met, then places an order. There are shirts available from previous club orders. Please contact the Club Treasurer about clothing currently in the club's shirt inventory.

Lands' End

Rocky Mountain Mustangers stitched-logo apparel is available from Lands' End. Use this link [Lands' End](#) to access the club's Lands' End website to place an order. The logo is shown below. Clothing items include shirts, sweaters, blazers, jackets, and caps.:

The cost of an item is the cost to apply the logo to the item you select (\$8.50) plus the cost of the item itself, and shipping (typically \$9.95 for multiple items). There is no minimum quantity; orders may be placed for single items. The time from placing the order to receiving it is typically three weeks.
