Dear iJudo families,

We hope you and your family are doing well and keeping sickness free during these cold winter months.

It is with great sadness and a heavy heart however, that we write this letter to inform you that after careful consideration, Natalie and I have made the decision to close iJudo club.

The decision to discontinue our business after 10 years has not been an easy decision, and we understand it may cause inconvenience and a mixture of emotions for our families. Due to our landlord wanting to sell the property, it's not financially viable for us to move into a new property and begin set up again.

We sincerely appreciate your support of our business over the years. We value the relationships we have built, the community we have created and wish you the best in your future endeavours. As much as we're saddened by what is, we're extremely grateful for everything we have achieved.

We will have 2 weeks left with Thursday 3rd of July our last night.

Monday 23 rd June	Tuesday 24 th June	Thursday 26 th June	Saturday 28 th June
Judo	Judo	Judo	Grading Day

Monday 30 th June	Tuesday 1 st July	Thursday 3 rd
Judo	Judo	Judo (LAST NIGHT)

All ongoing fees have been cancelled.

If you have any questions or require further assistance, please contact

Once again thank you everyone for your love, understanding and support over the years.

Regards

Dennis and Natalie
