

William Lynch

Vice President of CMI Executive Board

Bill Lynch was born in Columbus, Ohio and lived there for 26 years. After graduating from medical school at The Ohio State University, he moved to Jacksonville, Florida where he completed a family medicine residency at Naval Hospital Jacksonville. Doctor Lynch entered private practice in 1979, but remained affiliated with the Navy as a Navy Reservist. Rear Admiral Lynch retired from the Navy in 2003 and from his medical practice in 2012. Bill and his wife of 48 years, Marie, have enjoyed living at the Colonnades since 2004. They have three children and six grandchildren.

Rear Admiral Lynch spear headed Flagpole Dedication Ceremony to honor all the Colonnades residents who served our country. We are proud to have Bill here not only as a resident and board member but as a community leader.
