Message From Council

We hope this message finds you well and are enjoying the beautiful summer days here at the lake. As always, it's a pleasure to see our community come to life with the warm weather, and we encourage everyone to take full advantage of all that our village has to offer during this wonderful season.

We are pleased to share that B-Say-Tah continues to be in good financial standing. Through careful planning and responsible management, we are in a healthy position to maintain and improve the services and amenities that make our community such a special place to live and visit.

We also like to take this opportunity to extend a warm welcome to all of our new residents. We're so glad you've chosen to call B-Say-Tah home.

Whether you're here year-round or just for the summer months, we hope you enjoy everything our village and lakefront lifestyle have to offer.

Please don't hesitate to reach out if you have any questions or need assistance settling in.

Council is currently working on opening up our storage compound, and we know this has been a topic of interest to many. A notice with full details will be sent out shortly to keep everyone informed.

On behalf of Council and Village staff, thank you for your continued support and community spirit. Have a safe and enjoyable summer!

Monday Yard Debris and Waste Collection

Yard debris will be collected **every Monday** in May, June, September, and October. Every other Monday for July, Aug. Please have it out by **7:00am sharp** to ensure pick up. If it is missed call the office to ensure pick up.

Yard debris consists of compostable items such as grass clippings, leaves, garden refuse etc. Please do not put rocks, gravel, soil or sand in as this makes it too heavy to be collected and bags break open creating a delay in pick up for the rest of the village. Weeds are not considered compost and should be included with your garbage instead.

Waste Collection is **every Monday 7:00am sharp**. Please ensure that your waste is bagged, tied and put in secure sturdy bins with lids that cannot be knocked over easily. No more than 40lbs per bag.

If pick up lands on a statutory holiday, pick up will move to the Tuesday of that week.

Council Information

There will be **No AGM** (Annual General Meeting) for 2025 due to conflicting schedules.

Council Meetings occur every 3rd Monday of the month at 3:00pm.

Recycle Bins

The Blue Lorass Recycle Bins located along B-Say-Tah Rd (Hwy 210) and at the boat launch parking lot are for the village residents only.

These bins are looked after by North Valley Waste Management Authority. We cannot stress enough how important it is to follow the recycling guidelines posted on the bins.

ALL BOXES MUST be broken down! **NOT** a garbage bin! Please follow the rules to ensure that we can continue to use them.

North Valley Waste Management Authority

New Fire Charges for Call Outs

A **response fee of \$962.17** will be charged **per incident** and will be calculated on an hourly basis with a minimum one (1) hour charge prorated per minute after the first hour.

As per our bylaw for fire call outs, the Village of B-Say-Tah will cover the first \$1000.00 of the call should you require the Fort Qu'Appelle Volunteer Fire Department's assistance.

The property owner will be responsible for the remainder of the costs if any. Please keep your insurance provider informed.

Expression of Interest of Boat Storage

Council is currently developing a formal trailer storage policy outlining procedures and requirements for boat trailer storage at the new boat trailer compound. Once finalized, the policy will be shared with the community in the next few weeks.

To assist us in sizing the facility residents are invited to submit a single expression of interest per owned property by submitting their **civic address, name** and **contact information** which will be placed on a **waiting list** for trailer parking stalls.

- An initial **25 stalls** will be available, with a potential to expand to **70 stalls**.
- If demand exceeds supply, a **lottery system** will be used to allocate stalls fairly.
- Selected applicants will have to **comply with the policy** for allowable trailer types etc.
- Be required to sign an annual **rental agreement**
- Pay a **nominal annual fee**.
- May-September open access, October to April there will be no snow removal so access will be subject to weather.

To **express your interest**, please send an email or contact the office at **306-332-6449** with your property number, name, and **contact details**.
