---	--	---	---

Requests that require additional administrative processing will be subject to \$50 administration fee per subject:

- Withdrawal 7 days before school commences, a refund is issued with \$50 fee/subject deducted.
- Withdrawal within 7 days before school commences, a credit is issued with \$50 fee/subject deducted.
- Once school has begun, there are no refunds.
- Any subject change, time and/or location change. Depending on location, a difference in fee will also be applicable.
- NSF or returned cheques.

Reidmount reserves the right to accept students and to cancel classes.

I acknowledge that I am only entitled to two (2) homework requests per student per school year. After this, charges apply. I also agree to receive e-mails from Reidmount Schools containing information regarding Reidmount Discovery Schools. I give Reidmount Discovery Schools permission to photograph or videotape my child/children for promotional purposes. I have read and agreed to the terms stated.

FALL 2019-2020

REIDMOUNT
DISCOVERY SCHOOLS

NEW LOCATION – BURLINGTON

Corpus Christi Catholic Secondary School (Appleby/Upper Middle)

JUNIOR CODERS (Age 5-7)

Children will experience how coding can help develop logical thinking, creative exploration, and critical reasoning – used in almost every field across STEAM (Science, Technology, Engineering, Art and Math). Exclusive program using Google's block-based language "Blockly". Designed for children to start understanding the fundamentals of code in a fun and engaging way. Stacking together programming components, such as actions, events, and operators.

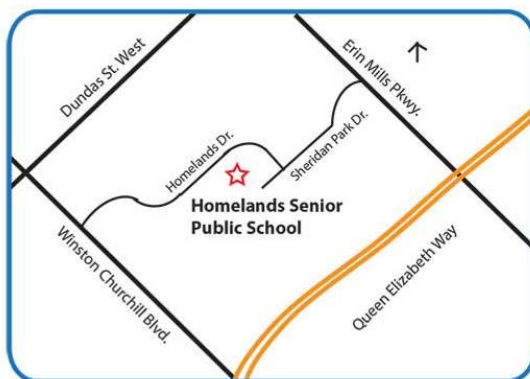

CODING for KIDS & TEENS (Age 7-18)

By getting "under" the interface, we learn about the processes that control it. As the developer of their game, students find their innovative potential through our curriculum as they progressively master their skills in Python, GML, C#, and C++ on the GMlegacy, Unity, Unreal, and Visual Studio engines.

Note: A laptop with WiFi is required for this class. Otherwise a rental can be arranged.

- SINGLE CLASS**
English or Math \$600
Writing or Science \$650
- DISCOVERY CLASS PACK (2 Classes)**
English + Math \$1,180
- GENIUS CLASS PACK (3 Classes)**
