

## 22 Corts Adirondack Pack Basket

### Supplies:

Cindy Walter's Snippet Sensations Bouquets Book or any of her Snippets books are nice to have but not mandatory for class (out of print, available on Amazon, or ask Lu way ahead if not computer shopping savvy )

- 17" x 21" background
- 8" x 10" fabric for basket
- 9" x 5" fabric for pack basket straps
- 1/4 yard border
- scraps of flower colors and a few different shades of green. I used batiks for the flowers as the weave is tight and less apt to fray. More than likely this will never be washed and regular cottons would be fine as well
- threads to match all of those colors
- 1 yard steam a seam 2 LITE
- light weight cotton batting, 24" x 27"
- backing fabric 28" x 31"
- 505 spray baste
  
- Machine in good working order with new needle, all purpose foot, free motion foot, walking foot
- Sharp little scissors
- Smiles
