

WHAT TO TEACH

Elementary Students:

Math, Science / Health, Social Studies, and Language Arts (Reading, Writing, Grammar, Spelling/Vocabulary) *

Middle School Students:

Math, Science / Health, Social Studies/History/Geography, English (Grammar, Literature, Composition, Spelling/Vocabulary) *

High School Students:

Math, Science / Health, Social Studies/History/Geography, English (Grammar, Literature, Composition, Spelling/Vocabulary) *

*SC Home School Law (§59-65-47) requires the above. Parents are not held to the above as a minimum and may add additional courses as desired.

High School Students:

	Track I	Track II
English/LA	4.0	4.0
Math	4.0	4.0
Science	3.0	3.0
US History & Constitution	1.0	1.0
Economics	0.5	0.5
US Government	0.5	0.5
SS	1.0	1.0
Physical Education	1.0	1.0
Computer Science	2.0	1.0
Foreign Language	2.0	1.0
Electives	5.0	7.0
TOTAL CREDITS *	24	24

6.0 Credits are to be earned in each of the high school years to achieve the state recommended 24 credits at graduation.

High School: Track I and Track II are compiled information from SC Dept. of Ed. state standards, SC home schooling law and what colleges/tech schools are requiring for entrance.

Track I is a readiness level for most SC universities.

Track II is a readiness level for SC technical colleges and most private universities.
