The following table¹ enumerate every 'specific' miracle performed by Yeshua during his ministry. I stress the word 'specific' because there are many clues that He could have performed many more² miracles than these 37.

¹ To my knowledge Robert Jamieson, A. R. Fausset and David Brown in *Commentary Critical and Explanatory on the Whole Bible* (1871) were the first to suggest that the number of miracles came up to 37.

Note : In my list of miracles I don't count the two events where Yeshua chase out the merchant in the Temple.

² Lets not forget that Yeshua's ministry lasted almost 4 years and the gospels keep silent on the agenda of most of the time. There could have been several hundreds miracles performed. We just don't know.

The following are also testimony of miracles that were performed by Yeshua but they lack any of the details that are associated with those found in the previous table.

Jesus heals many sick at evening	Mat 8:16-17, Mark 1:32-34, Luc 4:40-41
Jesus heals many sick in Gennesaret	Mat 14:34-36 Mark 6:53

Some peoples add the following two actions in the list of miracles. But there is no element in the description of these incident to lead us to think that some miracles were performed at these times.

Buyers and sellers cast out	Lu 19:45, 46
Traders cast out of the temple	Joh 2:13-17

NOTE: In all likelihood Luke and John are describing the same event.

Even though it was performed after the resurrection most of the people also count

Second draught of fishes	Joh 21:1-14
