

Led in Triumph

“...But thanks be to God, who always leads us in triumph...”
(2 Corinthians 2:14).

Today is the day you've been waiting for. You've been stuck in a certain area and just waiting for release. Moving forward requires you to not let the painful moments stop you from going forward. You have been stalled in an area of your life.

Something good is about to happen in you! It's not just a new week, it's a new day. Focus on what's ahead of you, and not on what's behind you. Last week is gone. Last month is gone. Last year is gone! What happened is behind you.

I really felt strongly to encourage you. Whatever you do, you have to keep keep moving forward. Jehovah-shammah will walk with you. Your God is already in your tomorrow. He already knows what your future looks like!

The enemy has been trying to get you to keep looking back. Don't! What is behind, is behind. It's the day to finally let it go. Don't dwell on what went wrong! With God's help you can finally move forward in the area that has been hindering you. Numerous scriptures attest to God's leading those who belong to Him. But you must move forward to be led! Whatever you do and wherever you go, now and always you are led in His triumph.

God says, “I will lead the you by ways you have not known. Yes, I am leading you along unfamiliar paths, but I will guide you. It's time to move forward. It's time to let Me show you what I can do in you. But you must move forward.”
