## **COUNSELING CENTER NEWS**

By T. Turner

The ACT test with writing will be given to the juniors on March 23. The makeup test date is April 6. Check the counselor's pages of the school website to find information and links on preparing and studying for the ACT.

A preACT test will be given in April to all of the sophomores. The date is yet to be determined. The preACT covers skills tested on the ACT except for writing; provides a preACT score and a predicted ACT score range; it allows students to practice in a simulated ACT test environment; and is a low-stakes, flexible administration.

There are many local scholarships available with deadlines in the coming months. All current application forms are available in the counseling center. Seniors should be checking the scholarship google doc that was shared with them for updated information on scholarships.

The CRT Science window opens on March 15, 2021. This test is for students in grades 5 & 8. The Smarter Balanced testing window will open on March 8 and students in grades 3-8 will be tested. A grade specific testing schedule is being developed for each of the tests.

The high school Academic Olympics is scheduled for March 24 in Glasgow while the junior high Academic Olympics is set for April 14.

Juniors and seniors who meet the GPA requirement are eligible to apply for membership in the National Honor Society. They will be notified in the near future and may complete the application process. Application forms are available on the NHS page of the counselor's tab on the school website. The chapter bylaws and handbook can also be found there.

## **OFFICE NOTES**

Now is a good time to replace your child's pencils, pens, and other school items that they may be low on. Please check with your child.

We are entering that time of year when the weather is unpredictable and the temperature tends to drop. Please make sure children are dressed appropriately for the weather. All bus students and students traveling by bus for any reason must have a coat, hat, gloves/mittens, long pants/sweats and shoes or boots. Students traveling for activities may also pack a blanket for the trip.

Elementary students are encouraged to have a coat, hat, gloves, and boots as a minimum for recess when winter weather arrives. Snowpants are also encouraged to help keep your child's clothing warm and dry.
