

2019 N.O.V.F.A. Firehose Bowling Rules

- All attendees must be in good standing with their department and the N.O.V.F.A.
- All attendees must sign a waiver.
- All teams will pay \$ 25 (4 members per team)
- The lanes are in each bay in the host station.
- A lane is 10-15ft of throwing space to a foul line, a lane of 45 feet to the back row of 10 pins.
- Lanes will not have gutters. Lanes will be regulation 42" wide
- Each participant will get 5 frames and a 6th frame that is the same as a 10th frame in bowling.
- Each frame is one throw and one spare throw.
- Men will throw a standard 50ft section of 2.5" hose.
- Women will throw a standard 50ft section of 1.5" hose.
- One end of the hose must stay in the bowler's hand until the hose stops moving.
- Crossing the foul line will end the frame with no pins counted.
- Dropping the end of the hose before it stops will end the frame with no pins counted
- All pins knocked over will be counted.
- Team score is the average of members' scores.
- Highest score will get 1st place. Second highest will get 2nd place and so on.
