

United Region Transit Services LLC

Supporting Transit, The Great Economic Engine

United Region Transit Service, LLC is a consulting firm established in 2016 by Cynthia Scott and Paul Scott. The two transit professionals have combined over 50 years of experience in operations, safety and maintenance of school bus, para-transit, light rail, bus & trolley operations, and streetcar. Realizing the high industry demand for more experienced personnel, they established a company that would provide transit professionals: who can lead, delegate, meet agencies visions & goals, and ensure quality service, while maintaining compliance with FTA requirements and guidelines. URTS unique team consist of qualified expert professionals experienced in transportation, operations and professional services. We offer high level people with backgrounds and disciples in rail and bus safety, planning, training, and logistics support to provide quality services. URTS has contributed to the success and stellar safety record of several agencies as consultants and as members of management in St. Louis & Kansas City MO, Phoenix, AZ, El Paso, TX and O'Fallon, Illinois.
