

2023 BOWLING TOURNAMENT REGULATIONS
SECTIONAL, DISTRICT & STATE BOWLING TOURNAMENTS

NOTE: The following regulations apply to all levels of tournament competition unless otherwise specified. They have been adopted by the Ohio High School Athletic Association Board of Directors on October 27, 2022.

The Executive Director is authorized to modify these Regulations when it is deemed necessary, subject to ratification by the Board of Directors.

1. ORGANIZATION OF TOURNAMENTS

The District Athletic Boards organize and conduct Sectional and District Tournaments in their respective Districts, subject to the rules and regulations adopted by the Board of Directors. The State Tournaments are under the control of the Executive Director's office.

2. ELIGIBILITY OF STUDENTS

All participants must be eligible under the Bylaws and Sports Regulations of the OHSAA.

A student who uses anabolic steroids or other performance-enhancing drugs is ineligible for interscholastic competition until such time as medical evidence can be presented that the student's system is free of anabolic steroids.

3. DIVISIONS

There shall be two Divisions in the Sectional, District and State Tournaments for bowling, both boys and girls.

4. ENTRIES

Schools shall transmit all entry information to the manager of the Sectional Tournament to which the school has been assigned by the District Athletic Board, per the instructions from each respective Board. Member schools wanting to participate in the 2023 OHSAA postseason tournaments must indicate their intent to participate on their 2022-23 OHSAA Sport Participation Form on myOHSAA. Tournament entry confirmation ends January 23, 2023, without penalty.

Each school may enter one girls team and one boys team (eight participants per team). Schools without a full team may enter individual participants (up to four) provided the school indicated it sponsored boys and/or girls bowling through myOHSAA. A participant who starts on a team in a Sectional, District or State Tournament must continue until that respective tournament is completed. Substitutions may be made prior to the start of the next level of the tournament.

5. SUBSTITUTIONS

Five bowlers compete at one time on a team at each tournament level. There may be up to eight participants listed on a team's roster. The roster/lineup must be provided to the tournament manager prior to the start of tournament play. Substitutions may be made in the Sectional Tournament level.

A school that sponsors girls bowling, has less than five girls participating and was unable to field a team throughout the season may permit the girls to participate with the boys team during the regular season, and the girls will be permitted to enter and compete as individuals in the OHSAA-sponsored girls' tournament competition. The maximum number of individual bowlers that may compete in the OHSAA postseason tournament from a sponsoring school is four.

A school that does *not* sponsor girls bowling, but has girls participating, may permit the girls to participate on the boys team, but they must enter the OHSAA-sponsored boys tournament competition. No student may enter both the boys and girls State Tournament.

6. SEEDING AND DRAWING FOR SECTIONAL TOURNAMENTS

Coaches shall be notified when the draw meeting is scheduled so they may be present to help with the draw in the Sectional Tournaments. The current draw date has currently been scheduled for Sunday, February 5, 2023. **NOTE: The draw/seed meeting is to be held at 2:00 p.m.** There will be no *mandatory* seeding of teams for the purposes of lane assignments or placement into tournament sites. Tournament draw meetings may be conducted virtually.

It is the responsibility of each District Athletic Board to determine the number of qualifiers from the Sectional Tournament to the District Tournament. Advancement of teams to the state tournament is based on a formula that takes into account the number of school teams that participate in each of the OHSAA's six districts.

7. FAILURE TO APPEAR

When national playing rules do not address failure to appear, the following regulations shall apply.

- A. If a team or individual participant fails to appear or is not ready to compete at the time of their scheduled competition, the team or individual participant shall be disqualified and removed from the event or tournament competition.
- B. The OHSAA, in collaboration with the administrative staff, District Athletic Boards and/or Board of Directors, and the tournament manager, may delay or reschedule a tournament contest/competition provided it is practical to delay or reschedule such contests/competitions.

All decisions relative to this regulation shall be made by a member of the respective District Athletic Board and/or the OHSAA Executive Director's Office.

8. TIME BETWEEN MATCHES

Bowling matches shall be continuous with no scheduled break in play during regular games. There may be a short break between the end of the three regular games in team play and the start of the Baker games. For any lane changes, there may also be a short break in play. Tournament games are meant to be played with minimal interruption. There will be a break in State Tournament play prior to the Team Championship rounds.

9. QUALIFIERS

- A. **Sectional to District Tournament:** The District Tournaments will be comprised of the qualifiers from the Sectional Tournaments if a separate Sectional Tournament is held. Each Sectional Tournament will qualify a proportionate number of individual bowlers and teams to the District Tournament. The number of qualifiers from each Sectional Tournament to each District Tournament will depend on the number of Sectional Tournaments held and the number of teams represented.
- B. **District to State Tournament:** There will be six District Tournaments in Division II, one in each respective OHSAA district. There will be five District Tournaments in Division I (*see note above*).

NOTE: Should an individual bowler or a bowling team not be able to advance to the next round for any circumstance, please have the tournament manager, sport coordinator or DAB member contact Emily Mason to determine potential advancement replacement.

The number of team/individual qualifiers from the District to the State Tournament shall be:

11. TIEBREAKER

TEAM: ties for team match total pins and the advancement of teams in tournaments and/or the placement of teams on brackets will be broken by a 9th and 10th frame roll-off between one player from each team selected by each respective head coach. This roll-off will be repeated, until the tie is broken. For the initial tiebreaker, the winner of a coin toss will select their starting lane and who bowls first. Bowlers will rotate lanes for the 10th (and any additional) frame(s).
No Individual Baker game shall end in a tie.

INDIVIDUALS: ties for advancement/awards in individual competition will be broken based on the high game bowled in the series being used to determine advancement/awards. Should this also result in a tie, there will be a 9th and 10th frame roll-off until the tie is broken. For the initial tiebreaker, the winner of a coin toss will select their starting lane and who bowls first. Bowlers will rotate lanes for the 10th (and any additional) frame(s).

12. SCHOOL REPRESENTATIVE

No team or individual entry will be allowed to compete in the Sectional, District or State Tournaments unless accompanied by a school coach or person authorized by the school's Board of Education or similar governing body.
