## ITINERARY

**Thursday, February 26**—Hotel check-in and Tour registration begin. Join us for a catered "Welcome Party and Driver's Meeting," from 6:00 to 8:00 p.m.

**Friday, February 27**— The Florida Flywheelers 33rd Annual Antique Engine & Tractor Show is the largest of four extravaganzas that The Flywheelers club hosts annually. It is held on their 240-acre park in Ft. Meade, and includes running antique engines, antique tractors and construction equipment, a functioning sawmill, tractor pulls, daily antique tractor and car parades, a huge flea market, an antique village to walk thru, a gift shop and much more. They even completely disassemble and reassemble a Model T twice daily for the public! There's fun and excitement all day! In the evening, we'll enjoy the grand buffet at the Jacaranda Hotel (*prepaid*).

**Saturday, February 28**—We're going to Sebring International Raceway. Our Packards will have special VIP Parking when we participate in a sponsored car show. We'll enjoy vintage class races on the world-famous track. Best of all, we'll do touring laps in our Packards on the Sebring race track! Speeds will be limited and we will NOT be racing, but we'll get to enjoy the actual race track in our Packards!

**Sunday, March 1**—We'll drive to Solomon's Castle in Ona, Florida. This outstanding attraction is the dream home, galleries and workshop of internationally renowned artist Howard Solomon. We will get two guided tours of the home and studios. Then we'll enjoy lunch in the Boat-in-the-Moat Restaurant (*on your own*). Finally, we'll take a long scenic drive back to Avon Park via the town of Arcadia, known for its fine antique shops.

**Monday, March 2**—We'll say our goodbyes and wonder how the time flew by so quickly. And we'll look forward to next year's tour, in another lovely Florida town.

*Hope to see you there!*
