Every One can walk naked without any clothe an walk without shoes an walk dressed in their panty an brassier an brief an walk part naked anytime they want anywhere them is an anywhere them want to go.

EVERYTHING IN ME EARTHSZ AREAS AN ME EXISTENCES AN EVERYWHERE THAT IS FE ME THAT MUS ALWAYS BE TURN ON IS TURN ON AN IS NEVA STOP TURN ON.

Every One can Fucky in the public anytime an anywhere they want to Fuck each other.

Only girl an boy can Fucky each other into the Pussy with the Natural Cocky.

Fuck and Fucky is neva into the batty or into any other hole that is not the pussy.

No batty sex. No anal sex. No Rectum sex. No ass sex. No woman to woman sex. No man to man sex. No boy to boy sex. No girl to girl sex. No Pussy licking. No Pussy to Pussy sex.

You is to drink the 100% grape juice an soak into the grape juice mix with warm water that is very warm an **not hot** to burn your skin to stop the devels from controlling your brain with their spinning fingers. It is the devels putting their speaking into your brain and mind and tongue that say you want to batty sex. It is the devels putting their devel injection and devel powder that you cant see into your brain and your vein that make you believe you want and is into batty or rectum sex. You is to drink plenty cranberry juice an soak in the cranberry juice that is warm an you can add warm water to cranberry juice for your bath. Use the 100% cranberry juice. Drink red wine at night. This is for Me Children the devels put the sextile on and they is not batty man or pussy licker.

You can start out drinking small amount of red wine an then as your body get use to the wine, you can drink more an more ov the wine at night while you is where you live. You is to drink the red 100% cherry juice an soak into the juice mix with warm water also. It is good if your head is wet when you soak an do not use soap, shampoo, or bubbles into any juice bath. You is to soak an relax for about one hour. You is to squeeze out some of the water from the wash rag an put the rag into your hand like a fist then punch your skin gently to sap sap all over your body including your head and batty an pussy an foot bottom. Stretch out your legs to sap the whola ov your foot. You can stand up in the bath and sap your batty an pussy an your lower back an belly. or sit on a wooden stool or a fiber stool to sap your lower body if your legs is not strong. You is never use plastic stool. You is to scrub your foot bottom with the pumice stone just before you get out ov the bath an rub your skin with the wash rag. When you is in the bath say: Me is clean out four times.

When you come out ov the water, slightly dry off your body, then rub lotion all over the whola ov your body including your foot bottom an toe an put hair oil on your scalp. The red ganja leaf boiled while bubbling up for fifteen minutes can strain an pour into the bath with warm water an you is to soak in the ganja juice the same way. You is also to drink it many times a day with no sugar, no milk, no honey. You can also boil about half of handful of Cerassee the same way. You is to soak, shower, an drink it plain without adding anything. You can also drink the Jamaica Red Sorrel. You can also drink an soak in the red Bissy Cola nut juice you boil in the same way.

Jamaica Cerassee - the ripe fruit and the seed can be eat

Bissy Cola Nut an powder

Also, you is to have a bottle of turpentine with plenty ov the clear oil into it always. Anything that you eat or drink that cause your body to swell or scratch, or you feel pin or needle sticking you inside or outside, you is to drink one mouthful of the turpentine/turpentine oil to stop the swelling or the scratch. The moment you swallow the turpentine oil the swelling is to go down an the scratch is to stop. If it dont go down your throat, then you is to drink half mouth more. If the swelling or the scratching don't stop, then swallow another mouth full of the turpentine oil. The turpentine oil look an smell like kerosene oil. If you cannot get the turpentine oil to buy, you can drink one an a half mouth full of the kerosene oil. If that amount dont stop the swelling an the scratching, you is to drink another mouthful or one an a half mouth full more. If you want, you can put a little coffee into your mouth an chew it an swish it around into your mouth to take away the taste.

To protect your skin an body, you can rub the kerosene oil or the turpentine all over your body an pour a bit in to a spoon an pour into your two ears an lean your head to the side so the oil get to run down into your ears. You may feel it cool into your eyes as your ears an nose an eyes an

throat is connect. You can also rub some into your two nose hole. Then you is to rub the lotion all over your body including your foot bottom an toes. You can also rub this oil into your head scalp an it will tighten your scalp an head from the devel. This oil will also tighten your hair, so use this oil mostly at night. If your hair is still tight in the morning, use a hair softener to spray or rub into your hair before you comb or brush it.

You is also to use the douche for girls or women an squeeze it far into your pussy hole when you is in the bath tub or in the shower or sprayer, as the watery juice will run out the bottle an run out your pussy. At another time, the girl or women can also use the douche to squeeze into their batty hole. The boys or man is to use the same girl or women douche an squeeze the whola ov the juice into their batty hole when they push the part of the tube to go into the pussy into the batty hole an slowly squeeze the bottle until it is done, and that will protect the batty an the brain an the mind from the devels.

Any One that want to do Fucking in the rite an propa way can do it for money or for not money an neva DO FUCKING FOR WICKED OR WRONG REASON OR TO CAUSE HARM. Them mus always tell the boy or girl to do the fuck that the Fucky is only for natural girl an boy an not for devels. FUCKING IS WHAT THE DEVEL LEADERS CALL PROSTITUTION. Also remember that there are many devels woman an man that will want you to fuck them. Them mus test those to Fucky with the salt an pepper an blue mix together first before you do fucking, as they usually have many others inside ov them and they will let them out and they will do harm to those who is doing the fucking. Many of those that manage the fucking are also the devels, and they will put natural Ones with devels to do fuckings and that is wronga banga.

The district mus exist that do fucking and those district mus neva be close an the peep hole mus always exist in the Rite an Propa way, so girls and boys can learn the Rite an Propa way to do the fucky. The Peep-hole that must be in the Jamaica West Indies Chreations areas, the government cut out and call forty second street in New York City and Amsterdam avenue in New York city, and they also cut out the red light district an put in the other Jamaica West Indies areas called Amsterdam in the country of Holland an that mus always esist in Jamaica West Indies Chreations an everywhere in the Rite an Propa normal ways. See the pictures below of how America take the Properties of Jamaica Chreations and destroyed it, and it must exist so the girls an boys learn how to Fucky in the Rite an the Propa way.

New York in America, is New York the American governments cut out from Jamaica West Indies Chreations. West Indies mean One Indices that the British an American flip from one side to the other and call East Indies at one time and when they flip It the other way, they call It West

Indies. The flip happened everywhere and that is why Americans and British, an some European side is called the West. The West Indies is not Caribbean and is not Islands. The British develt come from Colon and them is Colone/Colony, and the Colon, an Colonial. The British develt is also from the Caribbean an them is Caribbean. The British is called The British Isles/Islands. The well known West Indies song for them is: Small Island gal no mek me tell you whey you come from. You come from colon with you big empty hand, not a hair pan your head, not a shoes pan you foot, small Island gal no mek me tell you whey you come from.
