

Town of Rockford

March 2024

**Bittersweet news from our neighbors at Rockford Auto:**

**“NAPA IS MOVING!!!**

Rockford Auto is excited to announce that, in March, our Parts Department will be moving from its current location to Seehorn Tire in Fairfield, just 5.7 miles (an 8 minute drive) away.

*What does this mean for the Rockford location, you may ask?* The space that our NAPA store currently occupies will become more bays which will allow us to assist our community with less wait times and more technicians. Tire store operations will continue as is, the floor plan will just be different.

**We want to thank our community for your support over the years and we look forward to seeing you at the new space!”**

**IT’S ALMOST TIME TO UNPACK YOUR OUTSIDE WATER METERS**

Public Works will start reading outdoor water meters in April. If you have an outside meter and do not, yet, have an automatic Kamstrup meter, please be sure to have it unpacked no later than 04/15/2024. If you are unsure if you have an auto-reader, or if you need assistance, contact Town Hall as soon as possible.

*Don’t forget to “Spring Forward” and set your clocks an hour ahead for Daylight Savings Time.*
