Here it is... the 20TH PUPPY MILL that Heartland Pets has sourced puppies from!

Heartland Pets has built their business upon puppy mills. A “puppy miller” produces puppies as cheaply as possible, in horrid conditions. He/she sells those puppies to a “distributor” or “broker” who then resells them a pet store. The pet store then sells them at a massive upcharge to unsuspecting customers.

Tub with feces stored near kennel building causing offensive odor. (M...

THIS IS WHAT HEARTLAND PETS CONSIDERS A “GOOD BREEDER”

This is an image the ASCPA has taken of **Shelli Kershner's** Puppy Mill. You can find the image yourself by going to nopetstorepuppies.com and typing “Shelli Kershner” into the search bar.

Heartland Pets purchased a dog from this puppy mill, and then they made YOU believe that puppy came from a good breeder.

What you are looking at is a typical set up for a puppy mill. Wire bottomed small cages, with excessive buildup of feces underneath. Multiple unwell, uncared for, scared dogs penned in one tiny cage. THESE are the mothers & fathers of the pups at Heartland Pets. THESE dogs will continue to suffer, as long as people continue to buy anything from the store.
