

LEADING EDGE LEGAL ED, LLC

Privacy Policy

“Personal Information” refers to a student’s name, company name (if applicable) address, telephone number, email address, and state license number.

“Student” refers to individuals (legal professionals, such as private investigators, process servers, document preparers, etc.) who purchase *Leading Edge Legal Ed, LLC* courses.

Leading Edge Legal Ed, LLC does not share students’ personal information with individuals or other companies. As the secure Learning Management System (LMS) website that hosts *Leading Edge Legal Ed, LLC* courses DigitalChalk requires access to students’ personal information insofar as this information is necessary for registration and payment for *Leading Edge Legal Ed, LLC* courses.

Credit card information is not processed by humans and is encrypted per standard industry protocols.

Leading Edge Legal Ed, LLC provides student attendance and completion information to state licensing boards that require this information.

Leading Edge Legal Ed, LLC periodically contacts students via email and regular mail to advise them of the availability of courses or changes in course content or delivery.
