Peace and joy!

We are making our end of the year vocation donation reminder that we depend on donations from vocation directors. If you have never donated or it's been a while, please do.

You might check with your bookkeeper because vocation directors are not always aware if their donations have been made or not.

We operate according to Acts 4:32 "whereby all give what they can and take what they need".

However, everyone simply gives whatever they can in peace. Regardless, we continue to serve (and refer) without interruption. The most important thing is that the candidates we serve get the support they need from the various vocation directors to enable them to eagerly embrace God's call.

You can also give online at: <http://vocationsplacement.org/DonateToVp.asp>

(Simply click 1 item and the amount you wish to donate.)

Love to serve! Natalie, Brad, Diane, and staff
