Chairs

Xtenzo® accordion seating – multiple seating chairs allow you maximum seating with minimum storage requirements. For temporary outdoor use.

Available in 2 - 6 units; the frame is constructed of aluminum and the seat and back are a woven polyester fabric. Rust proof, telescopic leg action and non-tilt design leg action makes it self leveling. Optional carrying case available for convenient transport.

Samsonite® chairs – aluminum frame folding chairs with hard plastic seat and back. (polypropylene) model #2200 and #2700 shown. Colors: blue, bone, brown, grey, black, white. Chairlok® available to link chairs together. Other Samsonite chairs available. Frame touch up paint available.

Chair covers – made of 100% acrylic hyluster material. Washable and will not shrink. Choose blue, burgundy or green.

**Monogramming is available.*

Chair storage bags – will store, transport and always protect chairs. 8# canvas. 1½" webbing. 3, 4, 5, 6 or 8 chair capacity with partitions. 8 available without partitions as well.

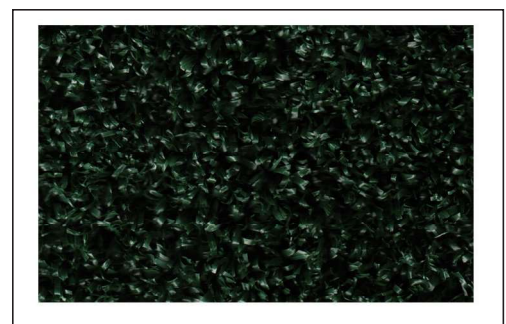

**Specify chair style.*

Tents

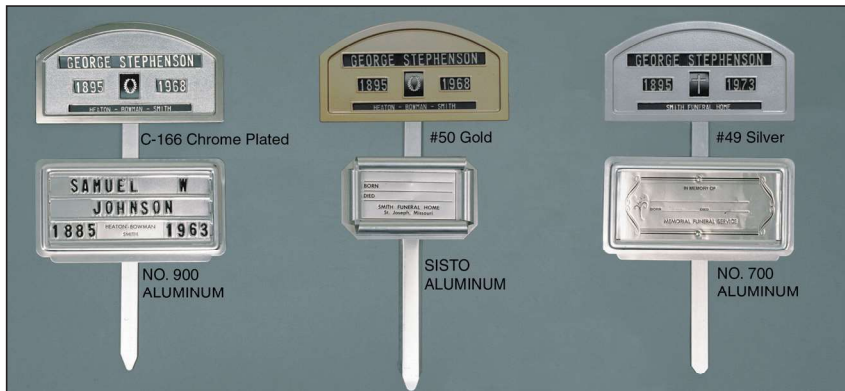

Hill and lawn tents are available in 15'x15', 15'x20' and 20'x20'. Made of Sunbrella, an acrylic nylon material that is fade and weather resistant. Double-sewn stitches with leather reinforcement in corners and top. We sew extra reinforcement around the sides for longer and stronger use. Each tent top includes hooks and straps or all straps, name on one side and a storage bag. Tops are available in many colors. See swatches below: Pacific blue, royal blue, jade green, hemlock tweed, dubonnet tweed, toast, mocha, cadet grey.

**Also available push pole, ridge pole and steril tents.*

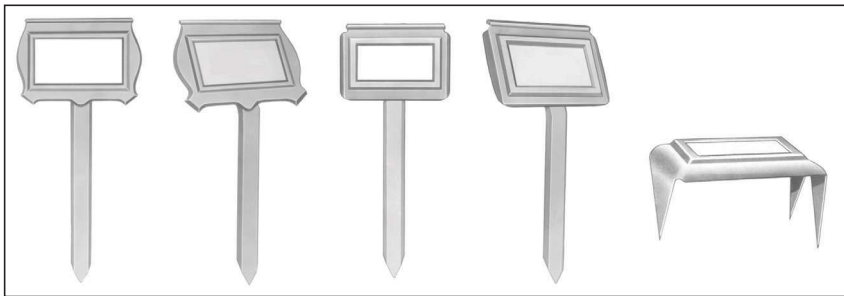

Vivid green grass – fade resistant, non-absorbing and is easily hosed down to clean. Can buy as a set or in separate sections. #590 – set 12' x 14' mound cover in 2 pieces (6' x 14') E-style liner/border combination consisting of 2 side pieces (6' x 8') and 2 T-end pieces 3' x 9' with 3' x 3' drops.
