Open heifers maximum age is 22 months. Bred heifers maximum age is 30 months. Any heifer that does not palpate safe in calf will be placed in the open category.

Herd Bulls & Herd Bull Prospects: 18 months to 36 months – A total of 5 bulls will be accepted. All weights are REQUIRED for consigned bulls. It is recommended but not required to have the scan data for a consigned bull. If we exceed 5 bulls, consideration will be FIRST given to bulls with all weights and scan data after screening for conformation and quality. All bulls will be judged in one category.

ALL BULLS will be screened by video and pictures. SABMG is looking for herd bulls and herd bull prospects. Send pictures and videos to Anthony Mihalski to aj1mihalski@aol.com. All cattle will be screened on site again to ensure they meet sale guidelines.
