## ANNUAL DISTINGUISHED SERVICE AWARDS

Many, many volunteers from the PESC membership and education community have helped shape PESC into the organization it is today and we truly thank everyone. The success of PESC is due primarily to the valuable output (from white papers to development, approval and maintenance processes of standards) produced through workgroups and committees that are staffed and run by these volunteers. Certain individuals have gone above and beyond the call of duty and PESC takes the opportunity each year to recognize them with *Distinguished Service Awards*. *Distinguished Service Awards* serve as our opportunity to say thank you for being a leader and for making a positive impact on education.
