## The Window Tinter

Of the many convenient services available at the market, The Window Tinter is one of the most popular. John set up shop at the flea market almost 15 years ago and became a quick success because of his attention to detail, quality and customer service. The years of Reader's Choice awards he has received prove he is a consumer favorite in Daytona and surrounding towns.

John offers a variety of tinting services including autos, boats and houses. "I'll tint anything that has glass" John says. He is one of the handful of vendors that are open more than just the weekend. John takes appointments and drive-ups Tuesday through Sunday. A typical vehicle takes an hour to an hour and a half and will cost about \$100. He offers an unheard-of true lifetime warranty against fading and cracking. You can be assured that John is applying the industry's latest and greatest products to your glass. Mobile services are available if you can't come to him. Ask him about whole-house residential and commercial tinting for improved energy efficiency and privacy for your home or business.

John is proud to be the go-to for local law enforcement - tinting police cars and EMS vehicles for Volusia and surrounding counties as well as their personal vehicles.

Although his tinting products are state-of-the-art, John is not. You can't tweet, follow or email him. Call or text only... Make an appointment by calling 386.383.6706. For access to The Window Tinter Tuesday through Thursday - use the Bellevue Ave Ext entrance to the flea market.
