VOTER CERTIFICATE FORM

- We have received questions about this form, especially, do I need to fill it out each year?

No, this is not a requirement. As the **FIRST NOTICE** is official correspondence to association members every-year in early January, it is included in the mailout package. As an owner, you completed this form along with the signatures of all unit owners on the deed at the time of your condo purchase. If nothing has changed, the form remains on file.

If you make **changes to the condo deed**, to include or remove other owner names, an update to the form will ensure all owner by their signatures, have agreed to the **person designated to vote** on association matters.

Calling for Committee Volunteers

Consider ***assisting the Board*** in making important decisions for our community and join **a committee!**

Volunteer Committee Forms are located online: Vantaca / Owners ONLY websites & CH#1.

Committee Chairpersons are appointed at a Board meeting soon after the **March AMM**.

All completed committee forms are shared with the new Chairpersons.

During the **Hurricane Helene** flooding many things were moved for safe keeping.

We are still in search of these GHC flags, created by our own Craft & Sew Group.

We are hoping someone has safely stored them for us!

If you have them please let the office know... **Thank YOU !!**

Abandoned Spectrum Wiring

All **three story buildings: Villa 9, Towers 1-6;** are scheduled to be painted this upcoming year.

- Prior to painting, all non-operational Spectrum Coax wiring WILL be removed.
- If you still have working Spectrum services in your condo, you **MUST** advise the office so your external wiring does not get removed prior to painting.

All owners are encouraged to convert from Spectrum to BlueStream, as BlueStream costs for TV and Internet are included in your monthly condo fees.

All BlueStream fiber optic cables are encased in external molding and are safe from removal.

See **websites: Owners ONLY and Vantaca** - to complete **Spectrum Self-identifier** form & advise the office!

BICYCLES AT GHC

Calling on all bike owners. Please ensure you have a **GHC bicycle tag** on your bicycle so it can be identified as GHC resident owned.

Since Hurricane Helene, there are a number of bikes around the property without identification. They could be from anywhere... and at some point, will need to be removed from our property as abandoned.

Thank you for identifying your own property. See Roseanne in the office for a TAG.

Reminder...

Please **REMOVE** sinks, countertops, etc. and condo debris outside your condo to avoid a "Notice to remove letter" and possible fine. Dispose of the materials you will not be using, at the landfill. Address on Page 16.

PLEASE keep **walkways clear of tables & chairs** due to **Fire Marshall requirements** for **fire and paramedic** access to GHC condos in case of an emergency!!

RULE Reminders...

GHC Manager Message for March ...

Dear Residents,

Since Gulf Harbors *did not achieve a quorum* for the February 19th Special Membership Meeting, the two proxy questions that were included on the Special Members Meeting proxy, will be carried forward and placed on the proxy for the upcoming Annual Membership Meeting. This ensures all eligible members will still have the opportunity to vote on these items as part of the association's regular annual voting process.

Annual Inspections:

1. **Fire Inspection** completed on February 5th & 6th – Approximately 50-unit owner violation letters have been sent out. Approximately 28-unit owners have complied, thank you. Please note any fines incurred by the Fire Inspector for said violations will be sent to those owners for reimbursement.
2. **Fire Hydrant(s) Inspection** completed all three passed inspections, the new hydrant in front of Tower 5 has been painted to the required color, based on the flow capacity provided by the inspection. New blue reflectors have been placed on the roads with the hydrants.
3. Upcoming **Roof Inspections** - are scheduled for the week of March 9th.
4. Upcoming **Elevator Inspections** - Date to be determined.

Laundry Card Readers : for 2 & 3 floor machines- At the January 29th board meeting the Board approved the \$14,812.90 proposal for the card conversion for the 2 & 3 floor machines and one new washer for Villa 9 3rd floor. Dominic from Commercial Laundries completed an inspection of the machines for the conversion and determined that of the 28 machines only 13 are capable of accepting the new card readers. Therefore, a new proposal was received to include the purchase of additional machines so all the machines will have a card reader, and it was approved by the Board. We will keep you updated as to when the machines will be delivered and the remaining machines will be updated with the new card readers.

The Annual trimming of the **Mangroves & Palm Trees** - was approved by the Board; a message will be sent out when the trimming is scheduled.

Carport Replacement - Reconstruction work on the carports for Tower 1 and Villa 4 has begun. The contractor has confirmed they anticipate completion within the next two weeks, barring any weather delays or unforeseen conditions. You may receive notice to move your car to an alternate location during this work.

Future Important Dates in 2026:

- **March 12,** Annual Membership Meeting (AMM), 1PM.
- **March 26,** Board of Directors Meeting, 10AM

COMET – March 2026 President's Message

Hello fellow Gulf Harbors Owners, Residents and Renters...

Beware the ides of March....

This month's joke:

A lady went to the bar on a cruise ship and ordered a Scotch with two drops of water.

The bartender gave her the drink, and she said, "I'm on this cruise to celebrate my 80th birthday, and it's today."

The bartender said, "Now that it's your birthday, this one's on me."

When the lady finished her drink, a woman to her right said, "I want to buy you a drink too." The lady said, "Thank you, how sweet of you. Okay, bartender, I'd like another Scotch with two drops of water. " "Coming up," said the bartender.

When she finished drinking, a man to her left said, "I want to buy you a drink too." The lady said, "Thank you very much, my dear. Bartender, I'll have another Scotch with two drops of water. " "Coming right up," the bartender said.

When he gave her the drink, this time, he said, "Ma'am, I'm dying of curiosity. Why the Scotch with only two drops of water?"

The elderly woman giggled, and replied, "Sonny when you're my age, you've learned how to hold your liquor. Water, however, is a whole other issue".

We have an election coming up (mentioned below as well) mid-month and regardless of whether or not I retain my position on the Board and subsequently as your President, **I wanted to take this opportunity to state that it was a pleasure serving as your President.** I thank you for placing your confidence in me, I enjoyed it and I hope I lived up to your expectations.

- ◆ I mentioned in last month's letter that we "should" have Club House 1 open to the residents sometime during the month. It did open.
 - ◇ We had a "Meet and greet" wine and cheese soiree.
 - ◇ We had a Valentine's Day dance.
 - ◇ We hosted a window manufacturer displaying their wares.
 - ◇ Various other recreation events have been held through the past weeks, stretch and flex exercises, crafts/sewing, mah jong, tai chi, euchre, hand and foot exercises, cribbage evenings, a Friday night sing along and...

So all-in-all, Club House 1 is getting good use out of the gate!

- SERVPRO did fail the overall building inspection at Club House 1 due to not having the plumbing completed in the kitchen area. Who knew? We are working on that as I type this letter. It should be addressed in the upcoming couple of weeks. Everything else mechanically, electrically and water/sewage wise was inspected and passed.
- We have started planning for the work on Pool House 2. The work should start in earnest in the next couple of weeks. We need to get rid of the expense of the two port-a-potties that we have over just outside the fence at Pool 2. These were meant to be used by the patrons of Pool 2, but it seems like everyone driving down Marine Parkway had a field day. Unfortunately, they had to be placed where they are as the truck housing the cleaning equipment would not reach if they were inside our fence. That is another expense that we will be happy to get rid of.
- We have some important dates coming up...there are three Board members whose terms are up and three new owners running as well, so there will be an election as well as the Annual Members Meeting.
- There are still quite a number of owners who owe the monthly condo fees, still some who owe last year's special assessment and owe for the air handlers that were replaced. Come on, we cannot operate this complex if these moneys are not paid.
- Finally, there are still a number of positions open on the Committee's chart. There are open spots for Chairs along with members. Please, if you feel you have the time and can give the effort to volunteer for these Committee's, please see the office or Vantaca for the proper form to complete and submit.

if there continues to be any issues or you witness any GHC rules being ignored, please report them to the office via email or in person. If you feel a law is being broken or has been broken, please report it to the authorities.

In closing and as I always mention in these letters, the Board is listening. We are open to any suggestions and we will run with it and do the research to see if the suggestion is viable.

As always, my email gbc.eshort@gmail.com is open for you.

Cheers...Ed

Edward Short President - Board of Directors, Chairman - Building/Infrastructure Committee and Executive Committee, Gulf Harbors Condominium, Inc.

Annual MEMBERSHIP Meeting

The **Annual Membership Meeting** scheduled for **March 12, 2026 at 1:00PM** in Clubhouse 1, will only be conducted, **if the quorum of 271 is achieved**. Without the specified quorum, the limited proxy questions being asked again - will not be approved! This is also when you *cast your vote* for **3** of the **6** candidates who are: Ken Anstett, Cindy Brockman, Douglas Decker, Donna Hammel, Vicky Roark, & Ed Short, to serve on our GHC Board of Directors. This vote requires 108 owners to vote; 20% of 537 owners.

NOTE: In-person voting scheduled March 12 in CH1 from 12:15-12:45pm.

Paper copy voting: If you PRINT ballot forms, the office has the special envelopes for: Director voting, as that vote is private and the proxy votes are not. These are counted separately.

- If you **opted-in to electronic voting (ezVote)**, you have received your email **link to vote** on Feb.25 for 3 directors and the 2 proxy questions. Check your spam and junk folders on all of your devices: android, iPhone, iPad, laptop, computer... for email from support@ezVoteOnline.com
- If you **signed up for RPM distribution emails**; email was sent to owners Feb. 25th with all details. This same packet is located on websites': Vantaca and Owners ONLY. Print/ complete the 2 separate voting ballots and return to the office for special separate envelopes, to cast each vote.
- **Mail-out package**; mailed Feb. 25th with all details/ envelopes included. Ensure you sign the outside gray envelope with blue envelope inside with your choice of 3 directors. IF you do not know the Voter Certificate holder for your UNIT, ensure ALL owners sign the external gray envelope, to be counted!

When you **do not vote** – it **still affects you!**

Budget Vote - February 19, 2026

The **Special Membership Meeting** of the **Budget** scheduled February 19 at 1:00pm, was not held due to the quorum was not achieved. What followed was the **Board of Directors Meeting to Adopt the Budget**. The Board of Director's approved the proposed budget, as mailed/ emailed to all GHC Owners.

These questions are posed to the GHC owners every year, hence we are being asked to answer again (see below) for **March 12 Annual Membership Meeting**, while also voting for 3 directors for the GHC Board.

1. Do you want to rollover the '2025's Surplus Operating Funds (if any) into the next fiscal year to **avoid taxable consequences by the IRS** of such remaining funds?
 - The question about taxation, is important to ask the ownership to approve, so that the Association does not have to pay tax if an operational surplus should occur.
2. Do you want to authorize the Board of Directors to use any and all available reserve funds in the **event of a disaster or catastrophic event** that causes damage to the common elements of your association? Such uses may include funding the insurance deductible, securing common property, etc.
 - An important factor for the emergency use of Funds is the funds **MUST be** returned to the Reserves Association budget. This question, if approved, allows for repairs etc. to begin prior to insurance payments for repair or replacement as the insurance process can take longer for monies to be received.

These 2 budget related questions are not connected to the approved budget nor condo fees that will now be processed for ACH payments or coupon books for physical check payments. This vote will be completed on March 12, in preparation of the next fiscal year 2026-2027.

INQUIRING MINDS... on FLOOD related items!

FEMA funds of **\$12,000 & \$10,000** have been paid to ground floor condo owners. Further funding amount has not yet been determined.

- If **Titan** is your contractor, ensure you provide them with access (keys) to your unit.
Please *Remind them to **clean up** after working outside your unit !*

Contractors - Contractors you hire should be: FL Licensed, have Insurance, & carry Workers Comp. Advise your contractors - they are responsible for **cleaning up outside your unit** and for removing debris from your condo and common area. As GHC owners, you are ultimately responsible.

A Message from **SERVPRO !**

Did you have a: **Loss of Power? Tripped Breaker or AFCI Receptacle?**

Before reaching out to Servpro or the HOA, please take a moment and **check the basics**:

- ◆ Check your AFCI breakers (on your power panel) and/ or **reset** the breaker.
- ◆ Check and **reset** your AFCI / GFI receptacles - outlets, that have a reset button on them.
- ◆ These are the most common causes of power loss. There's nothing Servpro or AAA can do to fix this, as these devices are designed to trip easily. Things like vacuums, hair dryers, or small appliances can trigger them to trip. NOTE: *This is the same STEP Servpro will do and then charge You.*

We've seen an increase in service calls for simple resets, so going forward:

Servpro will apply a \$25 service fee if the loss of power is due to a tripped breaker or AFCI outlet!

GHC COMMITTEE WORK

INFRASTRUCTURE COMMITTEE

For second floor garden unit owners, when you have your Hot Water Heater replaced...please ensure:

1. If on a shelf (second floor) a pan is required underneath it when it is replaced.
2. The electrical wire from the wall to the Hot Water Heater will need to be in a conduit.
3. There must be piping coming from the pressure relief valve down to approximately an inch, an inch & a half from the ground.

Have your licensed plumber follow these rules when installing your new Hot Water Heater and all should be OK.

Cheers and best regards!

Edward Short, President – Board of Directors,
Chairman Infrastructure / Building Committee/ Executive Committee, GHC, Inc.

GROUNDS COMMITTEE

The GHC community grounds committee work continues!

- There is less **construction debris around our grounds!** If you still have materials outside your condo, please remove as soon as you possibly can!
- The Grounds folks continue work clearing dead bushes, plants from breezeways/ common areas.
- Please **look after your personal belongings**, like planters & garden decorations by removing them from ALL common areas. This includes outside your condo unit which is condominium 'common area'.
- The Grounds Committee proposal with new "guidelines - rules" for keeping our grounds looking good was approved by the Board, to be reviewed by the Association Attorney.

Thank you, for your patience and support in keeping our grounds looking good!

If you would like to help on the Grounds Committee, fill out a volunteer application, drop it off at the office.

Thank you! **Angela - Grounds Committee Chair**

PAINT COMMITTEE

Progress continues ...

The railings work at the Towers as part of the SIRS remediation, are painted in the new color Sea Salt. It's important to note that the painting of the railings and stairs is *not complete*. What we are seeing is the first step in a process. More work *will be done* to ensure a flawless finish.

Please note, only the seven 3-storey buildings (**Towers 1-6, Villa 9**) will be painted as Phase 1 this year. The exterior of the unit doors for the 3-storey buildings WILL also be painted during this phase.

REMINDER: on each Building, holes, cracks, etc. need to be **repaired**, & old *Spectrum telephone wires* to be removed-well prior to painting the building's exterior. There is a **LOT of preparation work** at GHC for upcoming painting!

Again, Thank you for your continued patience and cooperation in this process. **Lynn - Paint Committee Chair**
