

**BUILDING PRINCIPALS****POLICY**

All Principals shall be the administrators and supervisors of their assigned school. They shall perform their duties in accordance with the Policies of the Board of Education, Administrative Regulations and directives from the Superintendent of Schools.

Principals are expected to provide educational leadership in their respective positions and be mindful of the welfare of the District. They shall consult with the Superintendent concerning the needs and operations of their assigned schools and provide information as required and as may be requested by the Superintendent. The Principals shall attend the regular monthly business meetings of the Board of Education and such other meetings as may be requested by the Superintendent.

Board of Education

ADOPTED: February 24, 1983

REVISED: March 23, 2000
