# CLEAR BROOK FARM

## 2019 WINTER CSA INFO

This year will be our twelfth season offering shares in the Clear Brook Farm Winter Community Sponsored Agriculture (CSA) program. The Winter CSA pickups start the week of October 6 (Oct. 10 for Thursday and Oct 12 for Saturday). Last pickups are December 19 and 21. There is no pickup the week of Thanksgiving. During the CSA you will be getting 11 shares of value in 10 pickups with 1.5 shares provided the week prior to Thanksgiving and the last week of CSA.

We offer Thursday pickups at the farm and Battenkill Books in Cambridge NY. Our Saturday pickups are at the farm and the First Congregational Church in Manchester across from the Equinox Hotel. Also we are *surveying* if folks would be interested in using a Bennington site if available.

**\*\* Weekly pickups start Thursday Oct. 10, and Saturday Oct. 12 through December 21.**

\*\* If you can not make your usual pick-up and want to arrange an alternate pick-up time, please try to let us know by Tuesday of that week so we can plan accordingly.

\*\* Weekly emails are sent out with the week's vegetable list, plus recipes and general info so you stay connected to what is going on around the farm.

\*\* There will be various offerings (bread, eggs, cheese, yogurt, beef, lamb, etc...) from local farms for sale at pickups at the farm.

\*\* Vegetables we are growing for the Fall/Winter shares: broccoli, cauliflower, fennel, brussels sprouts, collards, kale, bok choy, napa cabbage, green and red cabbage, potatoes, sweet potatoes, celeriac, garlic, leeks, shallots, onions, spinach, arugula, lettuce, swiss chard, beets, carrots, parsnips, rutabagas, storage radishes, daikon, colored peppers (weather permitting), winter squash, cilantro, kohlrabi, parsley...

**Example of 1/2 pint share NEW! FOR 2019:** Potatoes, spinach, butternut squash, shallots.

**Example of small weekly share:** potatoes, spinach, kale, carrots, butternut squash, shallots.

**Example of a large weekly share:** potatoes, spinach, carrots, kale, beets, lettuce, brussels sprouts, braising mix, shallots, and butternut squash.

Clear Brook Farm is excited to provide our community with locally grown, delicious food during the fall/winter months. If you have any questions now or any time during the CSA season please contact us by email: [wintercsa@clearbrookfarm.com](mailto:wintercsa@clearbrookfarm.com) or by phone (802) 442- 4273.

## Thanks for your support!
