

Ashtead All Stars 2026-2027

Dear AAS parents and players,

Next season we are making a few exciting changes to the club to ensure we provide the best possible coaching experience for the girls. The committee have been working hard behind the scenes considering how the club can modernise and pro-actively adapt to the changing netball environment. The changes will ensure that AAS remains a happy cohesive mixed ability community club whilst ensuring we are still the highly successful, competitive, well-regarded club we have become known for. Our mission statement is to provide netball for all, giving as many girls as possible the opportunity to play the game we all love and this is at the heart of any decisions we make.

U12s, U13s, U14s, U15s, U16s

All training for these groups will now be inside. Every player will have one hour of focussed, ability appropriate, inside training (with no separate squad training). As and Bs will be training on a Monday to avoid clashes with County training sessions, Cs and Ds will be training on a Tuesday or a Wednesday, and as always, there is potential for girls to move between groups. Subs will be adjusted to pay for the indoor facilities. Unfortunately our new venues cannot provide us with final confirmation until later in the summer, but we have decided to announce the changes now so that you have as much notice as possible. Please bear in mind that we may have to resort to a plan B should a problem arise.

U8s, U9s, U10s, U11s, Adults, Matchplay and Walkers

Training days, times and venues for these groups remain the same.

The New Coaching Schedule

U8	Wednesday	6-7pm	Downsend outdoor courts
U9	Wednesday	6-7pm	Downsend outdoor courts
U10	Wednesday	7-8pm	Downsend outdoor courts
