

CHINESE ASTRONOMERS AND JESUS

CHRONICLES OF GUANG WU 32 AD

Year and Month of Jesus' Birth, Crucifixion and Resurrection

The purpose of this study is to consider the Notion of how the Chinese Astronomers Cataloged the Crucifixion Year. Based on Research, one has seen an Interpretation of this Work espousing, either a 31 AD or 33 AD Year. The Numerical Correlations one is calculating, is taken at Face Value, from the Year 25 AD. This is the 7th Year that Emperor Guang Wu started to record Astronomical Occurrences in his Chronicles. This puts, what astonishing they came across, in 32 AD as the Year and Month the 'Man from Heaven Died'. And that 'Sin was Pardoned', etc.

But for the following 'Stances', one is not convinced that the Crucifixion occurred in either 31 AD or 33 AD. This is based on the Originator of this Research and 1 other Person made in their Assessment and Interpretation Year. And why the 'Petty' Year Difference? Would not 1 or 2 Year Difference be enough? No. Jesus 'Died at the Right Time', not 1 Day or Year of a Difference. And? Having the Correct Crucifixion Year would then dictate what Year the Church Age would or could be determined to End or Conclude.

And one surmises, based on a 32 AD Crucifixion Year and Month, that it pertains to that New Wine Feast of Acts 2, being the 2nd 50 Day Count, i.e., Pentecost from Passover on April 14, 32 AD. And that one just sees the Church Age, Starting and Ending at that Pentecost New Wine Acts 2 Type of Prophetic Book-End Intermission. Of course, one could be wrong and is Open to any and all Possibilities, but until then, one is standing on the following Presuppositions.

- The Rapture Event is not Imminent.*
- The Rapture is best Typified by the Summer Wheat Harvest.*
- The Rapture is best Typified by the Boaz and Ruth Love Story.*
- Jesus alluded to End of the Age in a 4 Month Wheat Harvest.*
- The Crucifixion Year is best attributed to 32 AD.*

Of course, one's Supposition is based on the Crucifixion Year being in 32 AD. And this Chinese Connection of a 32 AD Astronomical Record adds to the Evidence. Thus, using the 1 Day = 1000 Year Prophetic Template, that would be exactly 2000 Years or 2 Days. And how on the 3rd Day, would then correlate to the 1000 Year or 1 Day Millennial Kingdom of Jesus on Earth, etc. As to more Evidence of a 32 AD Crucifixion Year of Jesus? Note that the Temple was being renovated for 46 Years from -18 BC to 29 AD. And that the Year before, 28 AD was when one calculates Jesus started His Public Ministry by Proclaiming the Jubilee in the Synagogue of Nazareth, etc. And?

A Chinese Witness

As one has also shared, if one Calibrates the Jubilee Declaration by Jesus as being on a Yom Kippur of that Fall Season, then exactly 1260 Days from it leads one to April 14, 32 AD, etc. Thus, one will include the Findings of how the Chinese Astronomers attested to there being 2 Eclipses on the Same Day. When? In 32 AD. This is what one has been also sharing for Years. And it is tied to the Acts 2 Pentecost New Wine. This Information has been out since at least 2014, 1st presented, one believes by a Herb Kersten.

One had not been aware of it until someone read my Articles on a 32 AD Crucifixion and pointed it out. But as to the Dual Eclipses on the same Day? It is how the Apostle Peter related and Interpreted 'Pentecost' as being the fulfillment of Joel. It was in Retrospect of what occurred Astronomically at Calvary. The Sun and the Moon were both Eclipsed on the same 24 Hour Day Period. The Sun was Eclipsed by Planet X, by conjecture and the Lunar Eclipse was a Blood Moon. As presented before, this only occurred in 32 AD. Of course, it is all Circumstantial Evidence.

But having the Chinese Astronomers make the following Observation, Statements and Conclusions are beyond Amazing. The only Issue one has is that 2 Presenters one came across in Researching, who have divulged this Finding, argue for a 31 AD Crucifixion Year or a 33 AD one. It is because it 'fits' their Timeline, but so is one doing the same for a 32 AD Year Crucifixion Argument, etc.

But one will take the Word of the Chinese Astronomers, in that they made the Decree to be correlated to the Year 32 AD. The Issue is that the Presenter Mr. Kersten, the Originator of the Discovery argues for a 31 AD Crucifixion Year, etc. In his case, it is because there is no Year '0'. But that is not the case as the Chinese entered the Date in their Annals from the AD side of Time Reckoning. So, to say that the Conversion in Gregorian Calendar accounted for Year '0'.

A more recent Presenter is arguing for the 33 AD Year Crucifixion. How so? He adds 1 Year from 32 AD in how 'Year 1 does not count'. However the 2nd Source does acknowledge that the Emperor took Power in China, starting in 25 AD. And it was in the 7th Year that the Recording took place, in April, the 4th Month.

25 AD + 7th Year = 32 AD

Then there is the Age Discrepancy of Jesus, if the -5 BC Birth Year is used as Mr. Kersten implies. For example, because of a Comet that appeared for 70 Days, in that Year, he then concludes that it must have been the very exact Year that Jesus was Born in that Year, -5 BC. But remember that the 'Sign is not the Event'. Proof? If one adds-up this purported Lifespan of Jesus Age to 31 AD from a -5 BC Year, it would have meant that Jesus was over 34 Years Old, not 33 when He actually Died.

-5 BC to 31 AD = 34 Years, 7 Months

Chronicles of the Cosmic Crucifixion

The following are the 3 Main Pieces of Statements made based on the Entries of the Chronicles of the Chinese Emperor Guang Wu that some End Times Researchers believe was a Direct Inference to what occurred\, dealing with the Birth, Death and Resurrection of Jesus.

1) SIGN OF JESUS' COMING BIRTH – 2 YEAR ANNOUNCEMENT

'In the 2nd Month of the 2nd Year of Jian Ping, the Comet was out of Altair for more than 70 Days'. It is said that Comets appear to signify the Old being replaced by the New. Altair, the Sun, the Moon and the 5 Stars are in Movement to signify the Beginning of a New Epoch, the Beginning of a New Year, a New Month and a New Day'.

...The Appearance of this Comet undoubtedly symbolizes Change. The Extended Appearance of this Comet indicates that this is of Great Importance.'

Date Conversion: March 9, -5 BC.

2) ANNOUNCEMENT OF DEATH OF THE MAN FROM HEAVEN

'Summer, 4th Month of the Year on the day of Ren Wu, Yin and Yang have mistakenly Switched. And the Sun and Moon were Eclipsed. The Sins of all the People are now on 1 Man. Pardon is Proclaimed to all under Heaven'.
