Mrs. Rebecca Stone
Superintendent

Ms. Holly Marcolina
JH/SH Principal

May 4, 2021

Cortland County Superintendents and OCM BOCES have been working with Kinney Drugs representatives to provide a vaccination clinic for students in Cortland County Schools, age sixteen (16) or older. The clinic sites will be located at Cortland High School and Homer High School on Tuesday, May 11 and then again on Tuesday, June 1, for the second dose of the Pfizer vaccine. Each district will be providing transportation to the vaccination sites each day from either our school or may be driven by another district if leaving a BOCES location. Students enrolled in BOCES CTE programs or full day BOCES programs will receive a letter from BOCES and should register for their vaccination with that link.

In order to take advantage of this opportunity, each guardian must register for the vaccination no later than Friday, May 7, by 12:00 Noon. Also, each guardian must complete the 'Parental Consent' and have their child print and sign that form. It will be possible to print that form from school if necessary. Insurance carriers have agreed to pay the administrative costs associated with this clinic for those families that have insurance. For those families that don't have insurance, there will be **no** cost for the student at this clinic.

If you are interested in registering your student for the vaccine, please complete ALL steps below no later than Noon on Friday, May 7.

- 1) Complete all of the requested registration information by visiting this link. This link is specific for students who attend Marathon full day.
<https://kinneydrugs.as.me/CortlandCountyMarathon>
- 2) Each student MUST bring a printed, completed consent form signed by a parent/guardian in order to be vaccinated. The consent form can be found at: https://drive.google.com/file/d/1hz-pQB2vnxzLqEzPW9V4rN9PNb_bzadw/view?usp=sharing

Please mark your calendar for Tuesday, June 1, for your second dose of the Pfizer vaccine. Transportation will be provided by the District.

We thank Kinney Drugs for offering this clinic to our students!
If you have any questions or concerns, please do not hesitate to contact the main office (849-3252).

Sincerely,

Mrs. Stone
Superintendent

Ms. Marcolina
JH/SH Principal
