# THE GATES OF HELL HEAVENLY 11-11-11 PORTALS OPENING

The purpose of this illustration is to ascertain the possibilities of the 11-11-11 date/event as pertaining to celestial Open Doors. Such could perhaps be the coming of an exchange and point of transformation. Some of these variables are purely speculative in nature or from Science Fiction movies that are based on Greek mythology –coincidentally being released on 11-11-11. Other elements are taken from an esoteric world point of view, while others are taken from astrological scientific facts and figures. To many, regardless of the perspectives, dates like Nov 11, 2011 appears to be a special date and time where an anticipated transference and transformation between the spirit and the physical realm occur. Mainly, that a 'Portal' or 'Open Door to Heaven; an Exchange, an Unleashing, a Birthing is about to take place. Biblically speaking, one aspect of where Humanity is at in terms of this coming human transformation, i.e., the Rapture can possibly be tied to the birth pangs the Earth is going through presently with the various anomalies. Many around the world agree that Earth is goring through some sort of 'birth canal' transformation as if contracting to a 'birth'. Allowing for this symbolism, a date like 11-11-11, allude to a time when heads will 'crown' - a bursting through and birthing is expected to occur of 'Some One' -as in the Church on Earth. Many of these dates and numbers are tied to astronomical time. For example, Saturn is 'birthed' on 11-11-11 out of Virgo. Of interest, when such numbers like 11-11-11 occur, a world-wide convergence of people is also set to occur to initiate a vibration of SOUND to go out around the Planet for the new state of being to occur.

As noted, another transformation is set to occur according to the Bible, it is the Rapture event. It does involve a bodily transformation accompanied by a 'Loud Voice, a SOUND of a Blast as from God's Trumpet' that will transform the body, perhaps its very frequency because of it. Scientifically, it can be described as a change in one's bodily frequency transforming the very nature of the present physical DNA makeup. It will be to the degree or frequency, if you will, that the new 'Glorified Bodies' promised as part of the whole Redemptive Work of Christ on the Cross will be able to enter 'Glory' or the eternal state. *"Flesh & blood cannot inherit the Kingdom."* This event might help usher in a New "Age" to come that is awaiting by the Muslims, Hindus, Buddhists, New Agers and Atheists alike. The Earth's 'contractions' have been dramatically escalating as calamities on Earth and its world systems. When this 'Event' of the Rapture transformation does happen, it will be explained by the various scientific, esoteric, theological reasons. Many however, have been preparing themselves for this transformation that will allow them to make the next great leap into a "New Existence." Who those persons will be removed or exchanged for -will be based one's decision about Jesus Christ. Why? It is Because Jesus is the only one thus far that Resurrection bodily.

### THE COSMIC SERPENT (LUCIFER) IS COMING THROUGH (REVELATION 12:8)

A crop circle appeared on July 29, 2011 near Wiltshire, England. It is biggest crop circles ever seen in England which mirrors a 11-11-11 planetary alignments with Hydra. Hydra is between the cosmic '11' and in-between Venus and Mars as the crop circle portrays. It depicts a 'portal' or GATEWAY as if also traversing across a DNA double helix strand -ready to enter through a Star-Gate. Hydra is the longest constellation in the Heavens. Is this the clue that Lucifer is about to burst through such a portal and somehow be involved with the DNA of Humanity?

Many researchers have speculated for years what the significance of the time on the reverse side of the US 100 Dollar Bill might mean. For one, if the time is 2:22 PM, and not 4:20PM then it can be translated into roman numerals. The Roman numerals would be: II:II:II or 11-11-11. Thus 2:22PM = [11 - 11 - 11].

#### THE DOOR OF TRANSFORMATION

It is believed that some 'elements' will be removed from Earth during a future 'transmission'. This will be due to the change in 'frequency.' It is anticipated that when this level of frequency becomes fully activated in Humanity, the ability to create a new body will be attained due to a literal change and make-up of the human DNA. What will facilitate this Event is a celestial configuration of 2 pillars or as an '11' to be made out as a STARGATE or 'gate-way' due to the planetary alignments. It is believed that Magnetic Forces will be involved and be channeled to and from the core of the Universe. This is what is needed to allow for the Transformation, Open Door, Exchange and Birthing to happen. For Christians, it is believed that Jesus Christ is and will be that 'Door' at the Rapture. Christ Himself stated that 'He was the Door to the Sheep'.
