

Approved Pecos Vistas Color Schemes

You may visit any Dunn Edwards store for physical color swatches. The RL# helps homeowners easily locate paint swatches on the store display. The DEC # designates the paint color name. If requesting assistance in the store, please ensure the store representative is viewing "Pecos Vistas," not "Pecos Vistas II" color schemes. Color schemes may be accessed on line via the following URL: <https://www.dunnedwards.com/colors/color-ark-pro/pecos-vistas/approved-color-palette/>.

Note: Side walls adjacent to the home are to be painted the base color unless they are part of the perimeter walls of Pecos Vistas. In those instances, the side/perimeter wall is to be painted color Walnut Wash. Garage color to be selected from one of the colors listed in the scheme.

<u>Scheme 1</u>	Color Name	RL#
Base	DEC757 Rincon Cove	684
Fascia	DEC6169 Milk Mustache	508
