Fall  
2020 | Volume 2

## Thanksgiving Break

November 23 - 27

All school offices will be closed during the break. Please note that we do not have Friday School, Before School or After School on Fridays before school breaks. Our regular school and office hours will resume on Monday, November 30.

The end of our fall semester is just a few weeks away! As we enter the final stretch of our semester, please be sure to check your student's grades and attendance regularly using our Gradelink system. If you have misplaced your login information, please contact our front office and we'll be happy to assist you!

## SCHOOL CALENDAR

Our school calendar for the 2020-2021 school year is available on our website under the "Additional Resources" tab. Please refer to our calendar for all future school closure dates for breaks and holidays.

As we recently experienced, there are events in which an unexpected closure date will arise. In the event of a weather concern in our area, we will follow the Newton County School System's decision on closure. This information will also be communicated through our Facebook page and by email to our Covington Academy families. We have received many questions regarding school closures issued by Newton County for teacher workdays, half days and other various days off. We will only follow Newton County with school closures in the event of inclement weather concerns. Please refer to our school calendar for all other closure dates.
