

# Moe's Electric Inc.

COMMERCIAL • SERVICES • CCTV • FIBER • FIRE ALARM

"We always Finish Our Projects"  
17 years and counting!

**(305) 231-5811**

14014 NW 82nd Ave. Ste. 17  
Miami Lakes, FL 33016

## CORE COMPETENCIES

Moe's Electric is a full service electrical contracting company that strategizes with our clients on the most efficient and effective ways to accomplish projects. Established in 2003, we have over 75 years of combined experience in traditional electrical service, an array of low voltage such as fiber optics, copper, CCTV and infrastructure design projects.

- Commercial Projects
- Lighting
- Electrical Service
- Low Voltage – Fiber, Copper, Infrastructure
- CCTV and Wireless

## PAST PERFORMANCES

Dolphin Mall - New Fiber infrastructure backbone throughout the entire property.

Dolphin Mall - New Access points and wireless system throughout the entire property.

Chipotle Restaurants - Built New Chipotle's from Ground up

Multiple Clients - New copper backbones upgrades

Taubman Landlord work - 800amp panels and new feeders for new tenant location - work with FPL

Residential panel upgrade - Reroute overhead FPL lines to underground service to New Panel - work with FPL

## DIFFERENTIATORS

We are passionate about building a great electrical company that works hard, is resilient, optimistic, and committed to succeeding. We never shy away from innovation. We have been through a recession and now working through a pandemic. We know what it takes to make it through hard times and will continue to work hard for our clients.
