KIWANIS MEETING OF June 4th, 2018

To Dal:

We, the members of our club, express our sympathy to you Dal on the death of your brother Robert. Many of us remember when he came to our club meeting dressed as an American Patriot and recited (by heart) the Declaration of Independence. It was an exceptional presentation---the Wood boys are exceptional people!

In the absence of President Dal, and with Treasurer Rick taking a motor tour of our country and Secretary Pat absent (I'm guessing in Mexico?) our Vice-President-for-Life Anne Van Ess chaired the meeting. Good job, Anne.

Ten members were at the meeting---Anne, Ann, Ben, Emmet, Dave, Joe, Vince, Denis, and both Bob's.

Our luncheon included pulled pork wrap (I think that's what it was, probably 80% likely with an error of plus or minus 3%), tossed green salad, chips and first-Monday-of-the-month cup cakes.

We sang "Happy Birthday" to our only June birthday member, our newest and youngest member, Joe's son, Nico. Nico wasn't able to be at our meeting, so I'm hoping Joe sang Happy Birthday to him at home.

Our other song was "America The Beautiful," a great song, sung beautifully by our members, in recognition of Memorial Day.

A happy dollar from Joe to tell us that the snow sliding hill in the Packer's

Titletown District is now a grass covered hill that is fun to roll down (who cares about grass stains?). And a dollar from Ann to tell us about her daughter's party for ten young girls---the screaming level was high!

A special feature of our meeting was the presentation of a \$1,500 scholarship to Jacob Klister, a senior at Wrightstown High School. Jacob received his scholarship today because he was not able to be at our scholarship dinner several weeks ago. Bob Rowan did a nice job of introducing Jacob and reading excerpts from Jacob's application describing his high school and community activities. Jacob plans to go UW-Madison and study chemistry.

Joe gave the program at our meeting with a 20 minute power point presentation of films from the recent Sconniewood film competition for students. The films were imaginative, clever and funny---a tribute to the abilities of school kids. Several members had sons or daughters who submitted films: Joe, Ann, Doug and Matt Haney.

**SPECIAL EVENT**---put it on your calendar: Monday evening July 30 will be Kiwanis night at a Bullfrogs baseball game at Johannes stadium. \$16 will include a tailgate supper before the game and admission to the game.

**AND**---Monday noon June 25 will be a special recruitment meeting with Jeff Mirkes, the Executive Director of Downtown Green Bay, as our speaker. Jeff has given interesting slide presentations of Green Bay developments at our meetings in the past. Invite your friends or prospective members to be guests of the club at that meeting.
