THE ACE-PAK DIFFERENCE

We combine attractive pricing with excellent service. Our customers work directly with Ace-Pak ownership. Our hands-on approach ensures reliability, while our low overhead and sourcing relationships create cost savings.

At Ace-Pak Products, we believe in simplicity and value. We provide straight forward pricing with no hidden fees.

SINCE 1984.

MANAGING YOUR SUPPLY NEEDS

Ace-Pak is a customer-oriented company. We provide a wide range of competitively-priced shipping, packaging, janitorial, safety, office and facility supplies. We work closely with our clients to ensure reliable execution and delivery.

At Ace-Pak, our method of operation is tailored towards individual customer needs. We offer products and services that help ensure ongoing satisfaction. As a result, Ace-Pak clients have a proven track record of:

- **INVENTORY MINIMIZATION**
- **PRODUCT COST SAVINGS**
- **STOCKOUT & EXPEDITING AVOIDANCE**
- **ORGANIZED ON-HAND SUPPLIES**
- **EFFICIENT PURCHASING PROTOCOL**
- **SUPPLIER CONSOLIDATION**

“Ace-Pak provides us with a broad range of products. Their flexibility helps us minimize our supplier base.”

*Scott A.
Warehouse Manager*

“Over the years, Ace-Pak has supported hundreds of companies with the products they need to run their operations. Our customer-focus business model has created many long-term partnerships.”

*Brit and Greg Dykstra
