Unleash your inner creativity by learning how to develop your own comic book from scratch! Create your own superheroes, villains or develop your very own characters for your illustration masterpiece! *Rm 102*

The Awesome Club —Mr. Keating

Through examples from TV/movies/pop culture/real life, students will collaborate to determine what makes up a well-rounded individual. Activities will include group discussions, watching video clips, listening to music, and acting out scenarios. *Rm 269*

Math is Life—Mrs. Corino

Ready to start your life in the real world? "Math is Life" is a math-based club teaching students about budgeting, interest rates, and chance. Jobs, college education and family situations will all be factors as students will learn the ins and outs of holding a job, gross vs. net pay, and owning homes and cars. *Rm 103*

Tuesday—No clubs

Wednesday

Fitness Club—Ms. Cahill

Ready to get in shape? Increase your heart rate, pump up your muscles and increase your knowledge of nutrition while working out with a trainer. *Gymnasium*

Fencing Club—Certified NJ Fencing Alliance instructor (sign up with Mr. A Cienia)

The New Jersey Fencing Alliance and YouthNet are excited to offer the SOMS students the opportunity to learn the sport of fencing. This club is designed for students with little or no exposure to fencing. It will cover an introduction to the sport of fencing, basics of footwork, movement, terminology, sportsmanship and safety. The emphasis is on having fun. Students will develop coordination, balance, flexibility, they will be physically and mentally challenged which will build character and confidence. \$50 covers all fencing equipment. (LIMITED TO FIRST 12 STUDENTS WHO RETURN PERMISSION FORMS) *Rm 102*

Table Top Sports—Mr L. Cienia

Come improve your skills and compete against others in pool, ping pong, foosball, paper football and other classic table games. *Room 107*

Thursday

Fantasy Gaming Club—Ms. Jansen

Be a part of fantasy games like Munchkin, Magic, and Dungeons & Dragons. You don't, need experience to be a part of the role playing games! If you

have Magic cards and/or roleplaying dice, feel free to bring them.— *Library*

Ecology Club—Ms. Abella

Discover the natural world in your own backyard! We will work on the SOMS' courtyard, bird watch, track animals and garden. The club's activities change with the seasons. *Rm 122*

Shakespeare Club—Ms. Alloway

Explore William Shakespeare's plays through games, performance activities, improvisational acting, and movies. Come play with the lines, scenes and characters from a variety of Shakespeare's works! *Rm 265*

Mine Craft— Ms. Miller
