

The October 2019 Newsletter Gardens Gate

Port St. Lucie
Botanical Gardens

IT'S BOTANICAL HALLOWEEN TIME

It's time for BOOtanical Halloween at the Port St. Lucie Botanical Gardens. It's a fun time when Civic groups, garden societies, homeowners associations, local businesses, and more, join the Friends of the Port St. Lucie Botanical Gardens for our annual public "Trick or Treat" among the trees. Ghouls and Goblins of Port St Lucie flock to The Gardens for our Trick or Treat Ramble and Haunted Hayrides* at The Gardens in a safe, controlled, no-cars atmosphere.

Trick or treating begins at 4:30pm and ends at 7:00pm. Parents accompanying their children is required. No children without parents will be allowed on Garden property. Sunset on October 31st is 6:38 pm in Port St Lucie. We can't wait to see all the Ghouls & Goblins there!

Newsletter . . .

Editor & Design: Mark Barnes

The Gardens is managed and operated by Friends of the Port St. Lucie Botanical Gardens, Inc., a non-profit 501(c)(3) public charity organization, that was founded to help support the daily operations of The Gardens. Friends volunteers provide hands-on daily oversight of the facility, including staffing to handle the many visitors year round. Please consider becoming a member of Friends. Friends' is a 100% volunteer organization. In all cases, donations are deductible to the extent allowed by law.

PRESIDENT'S MESSAGE...

Halloween in the Gardens – specifically, our BOOtanical Halloween trick-or-treat opportunity for children 12 and younger, in a safe, enjoyable environment. Our volunteers will be decorating the Gardens early this month; plan to stop by often to enjoy the spooky atmosphere! BOOtanical Halloween began when a few members realized that they missed the opportunity to see young children, proudly showing off their fantasy costumes. Trick-or-treating isn't what it was when we were young! But the joy children still find in the holiday is infectious!

Weather is slowly improving with Fall moving in and summer receding. Visit the Gardens soon!

Thank you.

Joleen King
 President

www.PSLBG.org
info@pslbotanicalgardens.org

Attention: all Civic groups, garden societies, homeowners associations, local businesses, et al. Join the Friends of the Port St. Lucie Botanical Gardens this Halloween for a public "Trick or Treat" among the trees. We need your organization to join us in this fun 2.5 hours of welcoming the Ghouls and Goblins of Port St Lucie for our Trick or Treat Ramble and Haunted Hayrides* at The Gardens in a safe, controlled, no-cars atmosphere.

*Scary for young children, parental discretion advised.

Who's invited? Children, ages 0-13, in costume and their parents. **No admission - this is a free event.**

Trick or Treat Ramble in The Gardens

THURSDAY • OCTOBER 31, 2019

What does your group have to do? Claim your assigned "fright Site" in the Gardens, set up a table, decorate as much as you'd like, staff your location with costumed volunteers who enjoy (and perhaps miss) the joy of Halloween and the costume parade we all remember from Halloweens past. **And bring lots of candy! Your organization will be responsible for having sufficient candy, snacks or treats for up to 4000 little ghouls and goblins.**

Your area in the Garden is **FREE**. Your group must supply their own table and decorations.

Are you an HOA, 55 and older? Miss seeing the children? Are you a City Department that would like to adopt a site to be manned by co-workers? A garden society of retired grandparents whose grandchildren are miles away, and are missed? Are you a local business that recognizes an opportunity for team building and community outreach? A civic group or club, looking for a fun, simple new event on your Fall calendar? This is an event for you!

Trick or treating will begin at 4:30 and end at 7:00 pm. Parents, accompanying their children will be required. No children without parents will be allowed on Garden property. Sunset on October 31st is 6:38 pm in Port St Lucie FYI. This is designed to be an evening/twilight event.

Please give this opportunity your attention; talk with friends and neighbors, decide to commit to this new Community event, and send us your commitment via email. Event will be advertised through the Gardens website & newsletter, on-line calendars, community radio and more.

For more Information, to become a Sponsor or to Register, please call Heather Furnari at 772.337.1959.

KEEP PORT ST. LUCIE BEAUTIFUL TREE GIVE-A-WAY SPREAD-THE SHADE

The Keep Port St Lucie Beautiful Tree Give-A-Way 'Spread-The Shade' event headed by Georgette Beck, Special Project Coordinator was held at The Gardens on Saturday, September 14th and it was a complete success. This was totally a family affair with families enjoying the day and picking out their new tree. Breakfast was donated by Walmart of Port St. Lucie.

The event was hosted by the Friends of the Port St Lucie Botanical Garden with the UF/IFAS Extension - Florida Master Gardener Program providing the educational component. There were 450 trees available and all were in the hands of St Lucie County homeowners within two hours thanks to a great team of volunteers. Tree choices this time included Avocado, Mango, Geiger and Poinciana.

Of the seven educational stations set up, each homeowner was required to attend at least five. Topics included learning about your new tree, right plant, right place, watering efficiently, fertilizing, mulch & soil, planting your tree and diseases.

Breakfast compliments of Walmart.

Volunteers ready for St. Lucie Homeowners to check in for their new tree.

Florida Master Garden Volunteers doing what they do best, educating homeowners on how to take care of their trees and plants.

Continued on Pg 5

Enjoying the day and learning about their new tree

Check out time - Picking up their new tree

UF/IFAS Florida Extension "The Kate's" with Master Gardener Mary Thomas (middle)

Thank you again to all who attended and all of our wonderful volunteers.

WELCOME NEW BOARD MEMBER JOHN ERICKSON

John Erickson was unanimously appointed to the board at the September board meeting and brings with him many talents. He is a long time member and volunteer of the Gardens. John is an orchid enthusiast who manages the Orchid Room as well as assisting in the Cactus Garden. John also helps with the maintenance throughout the garden, and with the Veterans Victory Corps.

John is a retired USAF officer for 23 years and a mathematics teacher for 25 years. He enjoys Growing and Potting Orchids and sharing his knowledge with workshops to many organizations.

Welcome John. The board looks forward to working with you.

THANK YOU FOR YOUR SERVICE

Jeff Chambers, founding member and active volunteer since the launching of the Port St Lucie Botanical Gardens has resigned from the Board of Directors to spend more time with his new house renovation and his many hobbies. Jeff, through the years' has served in many positions and recently as Director of Volunteers and Membership. We thank him for his dedication and long time commitment to the gardens. It's volunteers like Jeff that has made our garden what it is today.

Bus Trip!
Naples Botanical Garden
Sponsored by the Rio Lindo Garden Club of PSL
Monday, December 2, 2019
\$55 per person

For tickets and information, contact Linda Trottier
(772.879.4443 .. drtrottiers@comcast.net)

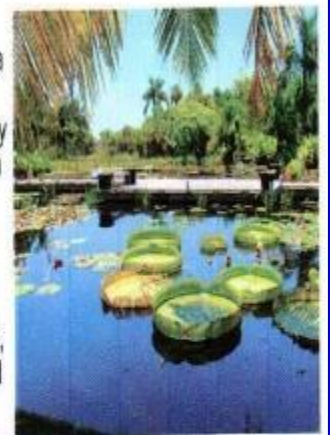

Join the Rio Lindo Garden Club for a great road trip to Naples Botanical Gardens. Don't miss this opportunity to explore an award winning jewel in Florida's crown of attractions.

Ticket includes bus transport and entrance to the Gardens.

Brown bag bus trip—pack your lunch, your snacks, nibbles to share. Food service is available at the Naples Botanical Garden if you prefer to enjoy lunch at their Fogg Cafe.

Invite your friends to join the members of the Rio Lindo Garden Club. The more, the merrier!

Bus will leave the PSL Botanical Gardens at 7 am.

Propagation/ Garden Center Growing

Thanks to Gene Kovacs and Merv Yearwood we've added 5 tables, four of them will be used for growing tables. Be sure to stop by and take a look and buy some plants too.

Ben, Woodruff, Benda Gustafson and Laura Mehr in the new Propagation Grow area. Ben added the new ground cover.

*Article and photos
by Brenda Gustafson.*

Preparing for Dorian

Thank you everyone who helped with the hurricane preparation. Not only the propagation area who had to take down each plant, but all around the garden. The Garden Rooms were great too! They made sure everything was moved. We have wonderful volunteers who pulled together in an emergency.

Secret Worlds - Magical Places

Thanks to Gene Kovacs who with the help of Laura Mehr created a Miniature Fairy Garden. Stop by and see this magical garden, between the butterfly and Rose Gardens.

Thank you to the St Lucie County Sheriff's Office and Sergeant David Cabrera for their continued support with assisting us with the maintenance at the Port St Lucie Botanical Gardens. Their help is making our gardens beautiful.

Friends of the Port St. Lucie
**Botanical
Gardens**

Beautiful plants & flowers, magnificent oaks & a lake, all nestled on 20 acres near the shore of the St Lucie River. The Port St. Lucie Botanical Gardens is a favorite venue for special events in our city. The Gardens offers picturesque settings for your special occasion.

UF | IFAS Extension

UNIVERSITY of FLORIDA

University of Florida IFAS Extension Central Florida Gardening Calendar - October

What to Plant

Annuals/Bedding plants: Even though temperatures are still warm, begin planting for the cooler months ahead. Impatiens, alyssum, and dianthus are good plants for the fall/winter garden. **See Annuals:** http://edis.ifas.ufl.edu/topic_annual_landscape_plants

Bulbs: Plant agapanthus, rain lily, and Clivia lily now for blooms next spring or summer. Add organic matter to the planting bed for best results. **See Bulbs for Florida:** http://edis.ifas.ufl.edu/topic_bulbous_flowers

Herbs: A wide range of herbs can be planted from seed or transplants this month. Some to try include dill, fennel, parsley, and cilantro. **See Herbs:** http://edis.ifas.ufl.edu/topic_herbs

Vegetables: Easy crops that can be grown now include beans, broccoli, carrots, collards, lettuce, green onions, peppers, radishes, spinach, and tomatoes. **See Vegetable Gardening in Florida:** http://edis.ifas.ufl.edu/topic_vegetable_gardening

What to Do

Lawns: Control winter weeds in lawns before they appear. Preemergence herbicides must be applied at the right time to be effective. Apply when nighttime temperatures are 55°F–60°F for 4–5 days. **See Lawn Weeds:** http://edis.ifas.ufl.edu/topic_lawn_weeds

Ornamental trees and shrubs: Fertilize plants that are not performing as desired. This is the last month of the year to fertilize shrubs and trees. Controlled-release fertilizer provides nutrients over a longer period of time. **See Palm Nutrition and Fertilization:** http://edis.ifas.ufl.edu/topic_palm_nutrition and **Landscape Fertilization:** http://edis.ifas.ufl.edu/topic_landscape_fertilization

Lawn fertilization: Fertilize lawns if needed. **See Lawn Fertilizer:** http://edis.ifas.ufl.edu/topic_lawn_fertilization

Strawberries: Prepare beds and set strawberry plants this month. Strawberries also make a colorful and tasty container planting. Either way, water daily until plants are established. **See Strawberries:** http://edis.ifas.ufl.edu/topic_strawberries

Palms: Palms have unique nutritional needs. Select a fertilizer that contains controlled release nitrogen, potassium and magnesium. **See Palm Nutrition and Fertilization:** http://edis.ifas.ufl.edu/topic_palm_nutrition

Oleanders: Control the oleander caterpillar, which is a year-round resident in South Florida, without harming beneficial insects by pruning off infested leaves or spraying with BT (*Bacillus thuringiensis*). **See Oleander Pest Management:** http://edis.ifas.ufl.edu/topic_oleander_ipm

Twig girdlers: Control twig girdlers by cleaning up and destroying fallen branches that young twig girdlers can use for harborage. **See Twig Girdlers:** http://edis.ifas.ufl.edu/topic_twig_girdlers
