WILLIAMS®**

## Painter Tracking Form

### **PURCHASES THROUGH THE BUILDER ACCOUNT**

If all the sales are made through your account, including purchases by your painter(s), then just fill out your Builder information below. The Sherwin Williams account number would be very helpful.

### **PURCHASES THROUGH THE PAINTERS ACCOUNT**

If purchases are made by your painter(s) **not** through your account, then the painter(s) must open a subaccount in your name. Please fill out **both** the Builder information and the Painter information for **each** Painter. Subaccount numbers are optional but would be very helpful for tracking.

This process must be repeated if the Painter is replaced and if additional Painters are added.

Please send this form back to the Member Rebate Program for processing.
