

We're changing the way people think about banking.

At Reliant, we believe in communities. We believe in relationships. We believe in you. And we believe that together, we can do great things. From our humble beginnings 50 years ago in a science classroom in Sodus Central High School to the 40,000+ members we now serve, Reliant Credit Union has been committed to helping everyone in our communities achieve their aspirations.

Since opening our Newark branch in 1990, we have built a close relationship with the Newark community—we continue to be humbled by and grateful for all of the connections that have helped shape our credit union.

This year, in addition to celebrating our 50th Anniversary, we introduced an updated brand featuring a contemporary logo and a new tagline: Achieve Life. We also launched a new website that features our products and services in an updated format, with easy navigation and a fresh look.

We encourage you to stop by our Newark branch at 205 North Main Street to check out our updated look and meet our dedicated, friendly team, or check us out online at reliantcu.com!
