

What do I do when.....

I can also do this...

<p>This is what I do when I meet someone new who uses a wheelchair.</p>	 I don't know what to do.	 I get nervous and don't do anything.	 I smile at them and hope they smile back at me.	 I say 'Hi' and ask them about themselves.	
<p>This is what I do when I meet someone new who looks different because they have a disability.</p>	 I don't know what to do.	 I get nervous and don't do anything.	 I smile at them and hope they smile back at me.	 I say 'Hi' and ask them about themselves .	
<p>This is what I do when I want to play with a child who has a disability.</p>	 I don't know what to do.	 I get nervous and don't do anything, I play with someone else.	 I smile at them and hope they smile back at me.	 I say 'Hi' and ask them to play with me.	
<p>_____ is in my class or school, this is what I'm going to do the next time I see them.</p>	 I don't know what I'll do.	 I'll get nervous and won't do anything.	 I'll smile at them and hope they smile back at me .	 I'll say 'Hi' and ask them what they like about school today.
