New guidelines for Theme, Critique and Show

There are three categories: Theme, Critique and "Show".

Each category in print form will have its own table.

Theme - Every month the president or someone from the club will come up with the next meeting's theme. Theme allows you to stretch your range creatively. Can be digital or print.

Critique – Any photo you would like feedback on. You can stay anonymous if you choose to. Can be digital or print. If you choose to stay anonymous you must let Klaas know before the meeting starts.

"Show" photo. Not critique, not theme, but you would like for the members to see what you have created. Just print.

Maximum of 3 photos for Critique
Maximum of 3 photos for Theme.
Show photos no limit at this time.

A. Slide show 4-5 seconds for each slide will run before the meeting from 7:10-7:30 and again during the break. If time allows we can then go through the theme photos one by one allowing for more discussion. Theme print will be on a separate table during entire meeting. Those who have questions or comments about the theme print will need to approach the photographer who took the photo during the break.
B. Critique print will be shown around the room at every meeting and critique digital will be shown on the projector as before.
C. Photos for "Showing" (prints non-theme) will be at a separate table for display only, there will be no formal discussion.

Digital photos send to Klaas at his email kwlc@att.net with the subject line to say either Critique or Theme. The photos need to be in jpeg format no bigger than 1200 x 1800 ppi (2MB).
