## About the club:

The San Diego Air Cooled is extremely active and dedicated to the VW scene in southern California. We have over 5.8k Facebook members. We organize and sponsor most of the VW car club shows and events that occur in San Diego County. SDAC is run entirely by volunteers who donate their time and effort to benefit their fellow members. We do not charge monthly dues we rely on the members to help by donations and purchasing of our SDAC merchandise. As a SDAC member you will be encouraged to attend all shows and events. SDAC thrives to be the best car club in San Diego and throughout California. Our goal for the upcoming year is to become a non-profit organization so we can do more with the resources that we have available to the club.

## What we do:

To this date, San Diego Air Cooled has donated close to \$40K to the Able Club of Southwestern College and \$6K to the Imperial Beach Boys and Girls club through our Air Cooled Fiesta series of shows. We also host food drives for the San Diego Food Bank as well as participate in Toys for Tots and blanket donations for San Diego's homeless population.

## NEW MEMBERSHIP APPLICANTS

New applicants must read, understand the by-laws and submit a signed application. New member applications will be processed and recorded monthly.

## DUES

Dues are currently 20\$ per year and will be prorated for new members as they join.

## MEMBER RESPONSIBILITIES

Each member will need to purchase SDAC Members only shirt. Only members will be allowed to purchase these items and will be required to wear them at each event (this does not include the weekly meetings). Non-member items will still be available for purchase.

SDAC is working hard to have a strong dedicated membership. We are looking for members that have a commitment to our club and what we stand for. We are looking for members that want to help with our events and take pride in a job well done. SDAC wants new voices to help improve what we do and how to make SDAC bigger and better.

The required information below will be used for contacting members and will not be sold or used for any purposes outside of SDAC operations.
