

Black/African American History Month Toolkit

Educate. Honor. Inspire.

Every February in the USA, we honor the contributions of Blacks and African Americans to American history and culture. Our toolkit will help your organization celebrate throughout the month while broadening awareness and igniting curiosity about how to create a more inclusive workplace.

Our toolkit will support your organization in:

Educating

- 2 videos on engaging in respectful conversations
- Black/African American History *Did You Know....* Fact Sheet
- Definitions of Key Terminology

Honoring

- Sample Leadership email to all employees
- Sample web posting to demonstrate support
- 8 Profiles + 10 Quotes featuring Black/African American changemakers

Inspiring

- Information on Allyship and supporting the Black/African American Community
- Three Team Sparks Cards to encourage meaningful discussion and teambuilding
- Four activities to encourage continued learning

One-Year License of Complete Toolkit: \$2,500

Materials will be delivered electronically and can be used across your organization.

Employees want to talk about race, diversity, equity and inclusion.
Your workforce needs to have their voices heard all while knowing that ***they matter because of their uniqueness and not in spite of it.***
