

# About Doug and Jay

Doug and Jay had deep roots in the Boothbay region. Both enjoyed their summers working with their father and uncle at Cabbage Island Clambakes and had many meaningful relationships in the Boothbay community.

The love Doug and Jay had for the Boothbay region inspires MML to focused on supporting musicians throughout Lincoln County.

# Our Mission

Moore Music Legacy is a non-profit organization committed to inspiring young people through sponsorship to pursue their passion for music.

# About Us

Moore Music Legacy was incorporated in 2014 by family and friends of Doug and Jay Moore. The Moore brothers had a lifelong affection for music and it is this love that MML seeks to honor.

MML seeks to sponsor selected students who have either been identified with musical talent or who possess an interest in pursuing musical endeavors. MML seeks to awaken and nurture in them a lifelong passion for musical expression.

# Sponsorships

We believe in empowering young musicians to pursue their musical interests by assisting with the associated expenses. To date we have sponsored music lessons, instrument rentals, music camps, and other miscellaneous costs. We wish to support any expenses that might otherwise prevent our young musicians from pursuing what we hope to be a life long love of learning.

# How to Apply

To apply for sponsorship, visit our website - [www.mooremusiclegacy.org](http://www.mooremusiclegacy.org) - and fill out the application.

Our Board of Directors accepts and reviews applications on a rolling basis throughout the year and encourages students of all levels to apply.
