Club Corner

Dear Utopia -

Happy New Year! We hope you all had a relaxing and safe holiday season with your family and friends.

January is a big month for us with majority of our teams competing in their first tournaments in just a few short weeks. The Gym has definitely been busy as teams are focusing on conditioning, volleyball basics, and getting the girls used to playing together as a team. We can't wait to see what's in store later this month!

Reminder that Picture Day is **TOMORROW** at AOA. Additional info can be found below with your assigned time slot and how to order individual and team photos. **Don't forget that you need to bring your [Lindsay's Law paperwork](#) to hand to your Coach this weekend.**

Thanks all, and we'll see you tomorrow morning!

Sincerely,
Rich Walton and Hugh Daly

All Parents/Athletes Required to Watch Video on Lindsay's Law

Lindsay's Law is about Sudden Cardiac Arrest (SCA) in youth athletes. This law went into effect in 2017. SCA is the leading cause of death in student athletes 19 years of age or younger. SCA occurs when the heart suddenly and unexpectedly stops beating. This cuts off blood flow to the brain and other vital organs. SCA is fatal if not treated immediately.

Per OVR regulations, all Parents/Athletes/Coaches are required to watch a short video on SCA and sign and return a handout saying they completed. Please return to your Coach TOMORROW at Picture Day.

Rooms for OVR Championships are Going FAST Book TODAY for May

As you have heard, the OVR has blocked many of the hotels for Championship weekends in May. If you are looking to stay at the Hilton or Hyatt, you must go through the OVR for the best rate.

There are many other hotels in the area, however, being attached to the Convention Center has its perks. This year, teams are on their own to coordinate their stay in Columbus, and must go through the below link in **RED** to reserve their rooms. We highly suggest doing this early, as many hotels tend to sell out months in advance.
