

100% OF YOUR DONATIONS ALLOWS THE RUNK FAMILY TO MINISTER IN THE FOLLOWING AREAS:

## SPONSORSHIP

Sponsorship is a way to make a big impact in a specific way here at Global Outreach. These are some of the ministries that you can sponsor:

**Feeding Program-** We feed 300+ children daily in our schools. There are 60+ widows and widowers that come every Monday morning to get a week's worth of provisions, including: rice, beans, oil, noodles, spices, and vitamins.

**Teachers-** We currently employ over 20 teachers and staff in our 3 schools.

**Sewing and Cooking Programs-** This ministry allows women to be more qualified to get jobs, bringing in much needed income to their families.

## WELL DRILLING

Since purchasing a well drilling rig in 1993, Global Missionary Staff have drilled over 400 wells in the surrounding villages to provide the people of Haiti with potable water. Many villages find their men, women, and children sickly from little to no access to clean water. It is Global's desire to provide these people with clean water while sharing the gospel and the love of Christ through the message of the 'Living Water'.

## BURN CLINIC

Open fires, hot water, scalding food, and unattended children account for many burns in this country. The burn clinic ministers to these victims at no cost to the patient or their family.

## SCHOOL

Global Outreach has 300+ Kindergarten through Third Grade students. These students are taught and disciplined with a Bible based curriculum by qualified Haitian teachers. These schools provide educational opportunities to very poor children who may not otherwise have an opportunity to attend school.

## EVANGELISM

Sharing the Gospel is the most important part of the mission. Global Haiti Mission has helped plant 8 different churches in Haiti. The Gospel is shared at our burn clinic, well drilling and repair sites, and widow/widower feeding program. The Jesus Film along with the Passion of the Christ are shown in churches and remote open area arenas. We are intentional about discipleship at our conference center and schools.

## THE CONFERENCE CENTER

The Conference Center is the focal point of the Global Outreach Haiti Mission. This facility can accommodate over 200 participants for dining, sleeping, and classrooms. Each year, these facilities are used to train approximately 3,000 Haitian Christian school teachers, pastors, health care workers, project directors, and youth.

## SHORT TERM MISSION TEAM QUARTERS

One of the greatest blessings to the ministry is for work and ministry teams to come to the field. These teams help in construction, welding, evangelism, medical, Vacation Bible School, mechanical maintenance, and many other ministry projects. The short term quarters provide these teams with great accommodations.

"LET US NOT LOVE WITH WORDS OR TONGUE BUT WITH ACTIONS AND IN TRUTH" JOHN 3:18
